Hell-o, sick-o-maniacs! Here's most interesting interview with Mark Sawicki of gore metal king, IMPETIGO!!! As you know they're broke up now 'cause they tired the underground accoc. But I really want IMPETIGO's interview for this STICK/CORE/BIZARRE issue. Witbout IMPETIGO, no one can I tell the true gore metal or ultra sick. So I made up interview with him. If it's gonna be the last talk of IMPETIGO, Here's last words of LESIONS OF IMPETIGO, enjoy!!

1) IMPETIGO IS THE MOST FAMOUS AND MOST INCREDIBLE SICK/GORE METAL BAND EVER. PLEASE TELL ME WHY YOU CHOOSE SICK/GORE SUBJECT?

— Well we played death/grind and sang about gore subjects because it's what Steve and I loved most. We were into playing extreme music and we were huge fans of horror/gore movies. We didn't just sing about gore topics because it was a death metal type of lyrics we sang about it because we were huge fans and collectors of gore films, books, magazines etc. Even before we had the band we were big fans of horror so it was just natural to us to use it in the band. Our image, lyrics, art etc. was all horror/gore based.

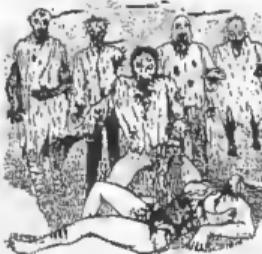

2) WHAT'S YOUR FAVE GORE/SICK BAND? AND IS THERE ANY RECOMMEND BANDS?

— I think that would have to be MORTICIAN. They are amazing, the most brutal and extreme band ever with the lowest true vocals even. Other bands of this style that I recommend are MACABRE, NECROPHACIA, AUTOPSY, REPULSION, NECRONY, DERANGED, NUCLEAR DEATH and PHLEGM. These were the best in this style though some are broken-up now, I don't like many of the new gore/sick bands. Also DECEASED are gods!

3) YOU ARE COMPLETELY SATISFIED

CONTRACT WITH WILD RAGS. I HEARD SOME GUYS SAID 'WILD RAGS FUCK OFF!', HOW DO YOU FEEL ABOUT IT? EVEN HELLWITCH HAVE BEEN IN CONTRACT WITH W.R. WHO RECENTLY FIRED OUT FROM W.R.

— Yes while we were with WILD RAGS we were satisfied with our deals. Richard C. gave us alot of freedom to do what wanted and the deal was very basic and true underground. Not one of these bullshit rock star independents like EARACHE, ROAD RACER, CENTURY MEDIA, METAL BLADE, CRINDCORE etc. Those labels only kill and exploit death metal and are run by idiots who don't

give a shit about bands. That's why the scene sucks so bad today with all these shitty sound alike death metal bands. That's why we broke-up and left the scene. WILD RAGS allowed us total control and encouraged us to keep on doing well, writing to zines, etc. Of course you won't make a lot of money by being on WILD RAGS but at least you can keep your respect for true underground. We were never ripped off but I can't speak for others.

4) VINYL TURNED TO CD, NOWADAY, WILD RAGS STILL RELEASING CASSETTE VERSIONS. PEOPLE WANTS TO LISTEN CD OF YOURS. ARE YOU

SATISFY IN THIS SITUATION?

— Well WILD RAGS now does CD's of almost all releases, so that is no longer a problem. Our 'HORROR OF THE ZOMBIES' album is on CD but WILD RAGS has no distribution deals in the U.S. or over seas, so it's difficult to find them. But in trying to do things on your own this is one of the sacrifices which must be made. Our first album is only on CD in Europe and now out-of-print. So it's kind of rare we no longer sell our merchandise now.

5) ANYWAY, WHAT MEANS 'IMPETIGO'?

— IMPETIGO is an infections skin disease. It causes your skin to get reddish-brown crusty oozing lesions on it and it spreads very quickly so if not properly treated it can cause your skin to start rolling off. It's a pretty brutal disease if not treated.

6) IMPETIGO IS WHICH BAND 'DEATH METAL' OR 'GRIND' BAND?

— Well I'd say our first demo's and debut LP were more in a grind style. But our 'FACELESS' EP + 'HORROR OF THE ZOMBIES' LP were closer to death metal—we always intended to be more death metal but it took us time to achieve the true sound we wanted.

7) YOUR INFLUENCES ARE VERY HUGE, BUT THERE'S NO SAME SOUND BAND. THAT'S WHY YOU'RE THE ORIGINAL BAND. HOW DO YOU FEEL ABOUT IT?

— Yes our original sound is why we had such a loyal following and what helped us to stay more true underground. As you said we drew influences from a lot of bands but the ones who most directly affected our sound were REPULSION, MASTER and AUTOPSY. But we don't sound like any of those bands we didn't strive to be original, that's just how our songs developed and STEVO's vocals are very different sounding than most singers in this music! It's not easy to be original today so

Before I Kill More

It's something we were very proud of and people did take some notice of it.

8) YOU'VE STOPPED PLAT NOW. ARE YOU DOING AGAIN TOUR ZINE 'UNIFORCE'?

— That's correct, in November of 1993 IMPETIGO has totally split-up. We just lost the interest to continue any more so we decided it was best to end the band as we are 100% satisfied with the 'HORROR OF THE ZOMBIES' LP—it was a good endpoint. No, I won't start up UNIFORCE again as I don't like today's scene much. Now I'll just concentrate on my horror/gore collection and not do any band or zine.

9) WHERE'S YOUR SICK/GORE LYRICS CAME FROM? MOST OF THE GORE BANDS TAKEN FROM HORROR FILMS. BUT YOUR'S ARE LITTLE BIT DIFFERENT FROM OTHERS, I THINK.

— They came from a variety of sources, but a lot of them were based off films. Maybe indirectly influenced by a film

IS THE UNDERTAKER—he writes. But I also like VAN VADER, RIC FLAIR, GIANT GONZALES, TOKOZUNA, SID VICIOUS, ROAD VARRIORS, PAPA SHANGO and others. WWF has lost most good wrestlers. Now the WCW is better, more real wrestling and less show!

11) HOW DO YOU FEEL ABOUT 'WRESTLER ACTING IN SCREEN', LIKE EX ULTIMATE WARRIOR, HULK AND SO ON?

— It's shit, they should stay in the wrestling and not do movies. Only JESSE 'THE BOSS' VENTURS was a little bit good in movies. I hate 'HULK HOGAN' and he's terrible actor.

12) DO YOU HAVE ANY JOB EXCEPT THE BAND AND OTHER MEMBER'S?

— Yes all members work outside of the band, we make little or no money off the band, and none of us live with our parents so we all must work. I work as an accountant and SCOTT is a computer systems analyst. STEVO works at a screen printing factory and DAM works in a

most all bands.

14) STEVO DOING ANOTHER BAND 'INSOMNIA' WHO PLAT DOOM METAL. HOW DO YOU FEEL ABOUT IT AND DO YOU LIKE DOOM BANDS? WHAT'S YOUR FATE?

— Yes I like INSOMNIA, they are a cool band and it doesn't bother me STEVO has another band. It worked good for him since IMPETIGO is broken-up. But ever when he had two bands it was okay, there was no conflict. Yes I like some doom bands, I guess ST. VITUS or COUNT RAVEN was my favorite. Sometimes though doom is a bit to boring for me. Two also.

15) WHAT IS THE MOST SICKTEST EXPERIENCE DID YOU EVER HAD?

— Well really I've not had too many sick experiences to tell about. I guess when I was young I had very bad case of chicken pox—they were all over my body with large pox and pustules, it was the most disgusting I ever felt. I'm so glad you don't get those except once to your life.

or directly influenced by a film. But not about common films like 'HELLRAISER', 'CHAINSAW MASSACRE', and such, but true underground films like 'CANNIBAL APOCALYPSE', 'GATES OF HELL', 'NEKROMANTIK', 'CANNIBAL HOLOCAUST' and more! Also some were creations of STEVO's bizarre mind, all are just stories but I think different than most bands as you said.

10) I KNOW YOU'RE INTO WRESTLING. WHO IS YOUR FAVORITE WRESTLER, RECENTLY WWF IS IN ALTERNATION OF GENERATIONS, NOW.

— I guess my favorite wrestler

lumberyard. So we all have busy full time jobs, the band was just a hobby, for fun.

13) DO YOU HAVE ANY RELATIONSHIP WITH OTHER DEATH/CRINGE BANDS? AND ANY PROJECT OR SOMETHING LIKE THAT?

— Tes many, but since we are broken-up no projects are planned. Some of the other bands we were really good friends with are MEAT SHITS, MACABRE, VITAL REMAINS, AUTOPSY, REPULSION, BLOOD, SIGIL TRANSGRESSOR, BLOOD DUSTER, ABIGAIL DECEASED, GUT and really many others but those we know best. We get along with

Also when I saw my Japanese friend eat whole fish including 'HARAWATA' (it means guts — ED) It was shocking!!

16) DO YOU WANNA BE ZOMBIE? (HA, HA) IF YOU WERE ZOMBIE, HOW TO KELL?

— I guess after I was dead it would be best to be a zombie instead of just lying in the ground, I'd want to wait a while before I became a zombie so my body would be nice and decayed with worms in my eye socket! I would kill only women after ripping off their clothes. I think ripping open the stomach

is best since all organs are there!

17) ANOTHER GORE BAND C. CORPSE ALWAYS GETS IN TROUBLE WITH COVER ART AND LYRICS. Did you ever had? IS THERE ANY INTERESTING OR BULLSHIT STORIES?

— Well when we did our first album we never were allowed to print the original cover, it was a very gory scene involving cannibals eating their prisoners. But the main problem was not the gore but the nudity we had, full male and female frontal nudity. The printers said they could get in legal trouble if we printed it so it was never done, but after that we had no problems with our art work or lyrics. We don't get the high level exposure and distribution that CANNIBAL CORPSE does.

18) WHAT IS THE DIFFERENCES BETWEEN "HUMAN EATING ANIMALS, AND HUMAN EATING HUMAN"?

— I don't think there is much difference except in the peoples minds meat is meat. But all through history cannibalism has been very taboo and feared. I guess people can seem themselves in the people they would eat so they never dare. The taste is probably similar.

19) IMPETIGO - CREATING TOTAL ORIGINAL SONGS. WHAT IS THE MOST ORIGINALITIES IN YOUR MUSIC?

— I guess it would be first our vocals as STEVO's style is not typical. Also the guitar parts are not the usual heavy riffing, mainly more notes and open strings, more simple and less technical, but our rhythms are more catchy and easy to get into. Also DAN's drumming is very different and unique—he has no death metal influences so he creates it himself. All three elements cause our originality.

20) DO YOU HAVE ANY PLANS TO RECORDING? HAVE YOU ANY NEW MATERIALS? TELL ME ABOUT IT!

— No new plans as we are broken up—all things we have ever recorded have been released—originally we were planning a possible live release or maybe our 'GIALLO' demo on CD—but now I don't think this will happen. We had written 2 new songs since the 'HORROR OF THE ZOMBIES' LP called 'PLANET OF THE VAMPIRES' and one unitled, but they were never ever recorded in any form.

21) HOW DO YOU FEEL ABOUT 'SANE PRODUCER' IN SAME SOUND, LIKE MORRISOUND IN SCOTT BURNS OR

SUNLIGHT IN TOMAS SKOGBERG?

— I used to like the SUNLIGHT releases, but I never liked the MORRISOUND stuff much. Really I think most death metal is totally over produced—it was never meant to be recorded in such expensive professional studio—especially MORRISOUND really loses the raw edge that death metal needs. I like production, like REPULSION and, AUTOPSY used—very raw! We used small local unknown studios!

22) WHO IS THE MOST SICK AND CRUELEST HUMAN KILLER?

— I think that was maybe ALBERT FISH as he killed children and he also all them. He was a truly sick individual and a masochist. Maybe he didn't kill the most but he was a total deviant and pervert—but there are so many like this it's hard to even compare them! All serial killers should get the death penalty!!

23) HAVE YOU HEARD GARCASS'S NEW ALBUM (HEARTWORK LP)? TELL ME ABOUT HONEST OPINION OF THAT! MOST OF THE UNDERGROUND PEOPLE WATCHED THEIR SHOW AND SAID "GARCASS RIP US OFF". THEY'RE NO LONGER IN DEATH METAL SCENE NOW.

— Well I heard it once but I don't like it and not they really aren't death metal and they don't want to be so I urge all death metal fans to stop buying any GARCASS stuff, they have become ridiculous Rock Stars and totally turned their backs on

the underground and that is who made them. Fuck GARCASS!! They should change their name and stop looking themselves!

24) I HEARD YOUR WIFE IS VERY BEAUTIFUL. WHERE AND WHEN DID YOU MET HER?

— Thank you very much, I'm very happy with my wife! We're been married now for almost 4 years. I met her about 7 years ago at a local show. She's not really into underground music but she happened to be at this one show so it was a very chance meeting but we have been together ever since.

25) ANY FUTURE PLANS AND FUTURE RELEASES?

— Well there is nothing planned for IMPETIGO since we are broken up. Originally there was going to be a domestic CD release of 'ULTIMO MONDO CANNIBALE' and 'FACELESS'—but now I think both have been cancelled so it's pretty much the end of the IMPETIGO release. The only chance is a possible live CD but it doesn't look so good as the sound quality of the recording wasn't perfect. Only time will tell for sure!

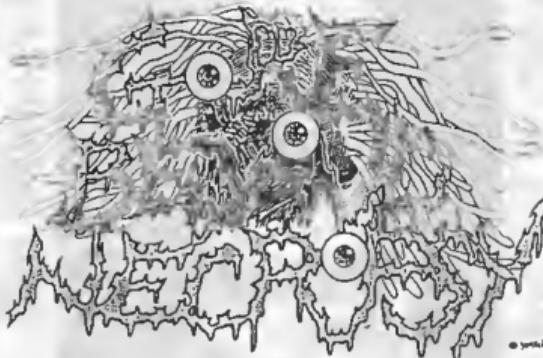

26) FINAL WORD PLEASE?

— Thanks to all the people who gave us the great support over the past 6 1/2 years—it was great fun and just because we broke-up I hope we are not forgotten. Hopefully we can live on through our past release and be remembered as a band who stayed true to the underground. I hope to come to Tokyo next year in go-satsu (May)—so I'll see you there! Hall Nippon!

27) ANY ADDS?

— Just a note as we have no merchandise left to sell so please don't send any more orders, thanks. Best of luck to your zine, this is the final IMPETIGO interview done.

Thank you MARK for your great answers and for your precious time. Past 6 1/2 years we've been enjoying your releases and learning what the underground is. You're the originator of SICK/GORE metal band. But after the death of IMPETIGO, your truly underground mind and pulsing blood will inherit to TRUE underground people. Good luck to your future, take care. Good bye MARK, STEVO, DAN and SCOTT. THANK YOU LESIONS OF IMPETIGO... G-YA!!

Japanese, no, world's most bizarre band GORE BEYOND NECROPSY, would really fill for sick minded persons all over the world (including me!!) Well, the sick bastards sneaks into our mind and eat our soul, by their industrial psycho noise grind sound!! That's really original as well. For me, G.B.N. is one of favorite band, so I asked to Akinob, the Insane bizarre mondo sadist, the bass player of G.B.N. His answers are truly honest and yes, sick and bizarre that I want to. So let's get sick to the core!!!

1) FIRST OFF, I ASK YOU ABOUT FIRST 7"EP. HOW'S RESPONSE HAVE YOU BEEN GET TILL NOW? ARE YOU SATISFIED WITH IT?

— We've got many good responses from Insane grind sickos all over the world! Thanx a lot!! Yeah, I'm really satisfied with it as our first EP. But it was recorded about a year ago, so it's a little bit old for me. I want GORE BEYOND NECROPSY will be much filthier, noisier, dirtier and more bizarre! I need total musicianship and ultra noise holocaust!!!

2) A DEMO SONG "FLOATING FLESH" TOOK AGAIN ON IT. WHY? IS IT YOUR FAVE TUNE?

— Yeah, I liked it a lot. Well, we changed our machine after we had recorded the demo because sound quality of rhythm part was so weak. New version of "FLOATING FLESH" was really cool and bizarre, so we decided to record it again for the EP.

3) THERE'S MUCH MORE COMPLICATED AND CHAOTIC THAN THE 1ST DEMO. AND GOT MORE INDUSTRIALIZED. WHERE'S IDEAS CAME UP?

— We'd started to use the machine just instead of Kathuhiko, the only human drummer of GORE BEYOND NECROPSY, who had left the band in Spring '92. We couldn't find any other sexy and cute drummer, so I suggested to use a machine as GOREFLESH. The drum playing of Miek(ex N.DEATH) and Ken(CARCASS 2nd lp) reminded me lots of industrial tastes and I thought 'Machine blast beat must be super!!' In fact, all we are content with the machine beat. We really enjoy to play with it.

4) 1ST DEMO AND FIRST 7"EP ARE CONTAINING NO LYRICS SHEET. IS THERE ANY REASONS? WE'D LIKE TO KNOW WHAT YOU SINGING ABOUT.

— I thought the lyrics were not more important than the

music for G.B.N., so "RECOMMEND YOU..." demo & "THIS IS AN EP..." EP has no lyrics sheet. But we plan to contain it for our future releases. The lyrics I wrote are about cannibalism, necrophagia, loelleide, sadism, extreme repulsion, dead body art and stuffs like that.

5) GORE DEATH/GRIND BANDS TOOK LYRICS FROM GORE FILMS. WHAT DO YOU THINK ABOUT IT?

— They do it in their own way, so I can't say anything about it. They do what they want. There's no problem.

6) G.B.N. WAS TAKEN FROM GORE FILMS FOR INTROS. DO YOU LIKE GORE/SICK FILMS? WHAT ARE YOUR FAVES?

— No, we didn't take intro's from only gore films. We took intro/SE from psycho and sick movies like "HOLY MOUNTAIN" and "MULTIPLE MANIACS" for the EP. Yeah, I like gore films a lot. "HELLRAISER", "RE-ANIMATOR", "TEXAS CHAINSAW MASSACRE" etc... are really great. But my favorite movie is "PINK FLAMINGO"!! I love all John Waters' movies.

7) DO YOU THINK THAT WHICH BANDS ARE THE BEST GORE/SICK BANDS? (I KNOW YOU'RE THE ONE!!) AND HOW DO YOU FEEL ABOUT THEM?

— Old CARCASS, old XYSMA, GENERAL SURGERY, IMPETIGO, REPULSION, GUT, REGURGITATE, NEFARIOUS, STENCH OF CORPSE and lots more! The best music for me. Without them, we don't exist. They are pure psycho sadists!! In addition, the following intense grind/hard core bands also make me so sick: old N.DEATH, AGX, E.N.T., DROPODEAD, FEAR OF GOD (Swiz),

DOOM, SORE THROAT,
ARSEDESTROYER,
LUZIFERS MOB, SxOBx,
MULTIPLEX, CIBBED,
S. H. S., CRUDGB and
many Jap., UK, Scando
HC bands.

8) WHO IS THE MOST SICK/CRUEL/DANGEROUS SERIAL KILLER?

—Of course you are all I know you're the sick recidivist of infanticide. I heard that you addict to rape young boys & girls and to murder, since and eat them is your best pleasure. Hundreds of children were sacrificed by your sadistic game. How did you feel when you did that? (Shit! Oh no, don't call the police! I said that its secret! And I don't wanna lose my ANAL virginity in the jail! — ED)

9) DO YOU READ A LOT? WHAT
KIND OF BOOK DO YOU READ OFTEN?

KIND OF BOOK DO YOU READ OFTEN?
---Yeah I like any kind of books that make me bizarre. Especially, I like to read porno & SM books so much!! My favorite one is 'Les 120 Jours de Sade' ou 'L'Ecole du libertinage' by Donatien Alphonse Fran^{ois} de Sade. It's ultra bizarre!!!! The books about the cannibalism, the serial killers make me puke, lol

(10) I FOUND A ADVERTISING LIKE
THIS.  *PROFOUND GRAMMAR*
FOR THE WORD RECORDS

ALSO YOU WERE SPREADING THEM AT
THE GIG. THAT DOES IT MEANS?

— It means..... Put your fingers into your anus and eat shit!! Me, bee, bee... Well, Maestro stole it from a newspaper or stuff like that and put 'G.B.M.' on it. Originally, the article was about an AIDS baby. In this ad, we want to say, "AIDS is luck^o horrendous so luck yourself!!".

11) BACK TO THE MUSIC. MOST OF THE FANS ALREADY KNOWS THAT INFLUENCES HAVE YOU GOT. (TOU)

WON'T BE LISTENING, HAH?) WHEN DID YOU START TO LISTEN THAT KINK OF MUSIC?

— When I've got N. DEATH 'SCUM' LP in '87-'88 (Sorry, I can't remember it), I was sooooo shocked by the unbelievable intensity. That's the first time that I was into grind core music. Before 'SCUM' LP, I liked DISCHARGE, GOBLIN, MOTORHEAD, SLAYER, HELLMHAMMER/CELTIC FROST, DEATH, VOI VOD, S.O.B.A., OUTO, LIPREACH, GISM etc... but NAPALM DEATH blew them away!!!!

12) I CAN SAY THAT G.B.N. HAS ENOUGH ORIGINALITIES AND INCREDIBLE SOUNDS I WAS SHOCKED AT THE FIRST LISTEN. DO YOU THINK THAT WHAT IS THE MOST ORIGINALITIES THAT APARTING FROM OTHER BANDS?

—Tbanx alot I blnk sick & chaotic noise and bizarre industrial drum sound are. Noise & psycho rhythm are very important elements for G.B.N. Besides, we are not influenced by only grind core/death metal, industrial noise & MC music are heavily influenced on us, too. So, I think that you can feel we're not typical grind core/death metal band.

13) I KNOW YOU HATE THE DEATH METAL BAND WHICH HAS TIMPY CRUNCH RIFFS WITH LOW GROWL. ACTUALLY THEY AREN'T REAL DEATH METAL BAND. WHICH BANDS ARE REAL DEATH METAL FOR YOU?

— No. You're wrong. I said that I hate wimpy thrash metal bands with growl voices & stupid dumb lyrics call themselves

'bruijal deaib heil',
it's luckin' shillit
I don't know which band
is real but my love
death heil hands
are : HELLMHAMMER / old
CELTIC FROST, old
DEATH, AUTOPSY,
NIHILIST/old ENTOMBED,
CARRAGE, PUNGENT
STENCH, FUNEBRE,
CENOTAPH, BOLT
THROWER, TRANSGRESSOR,
MAGGOTY CORPSE etc..

14) G. B. N. IS THE
WORLD'S SICKEST BAND
EVER! THAT IS SICK
APPROACH IN TOUR
MUSICKY?

— He eat 7 spiders and 6 slugs a day, so we can trip and get innaane for our music. (It's really tasty for me, too, — ED) Uunnooooo... It's difficult to answer it 'cause we just do what we want.

15) DO YOU WANT ABROAD TO PLAY
GIGS? IS THERE ANY PLANS?

— We really want to play in Europe but... we don't have so much money. We need financial help! Can you help G.B.N.? (Oh yes! I can give you a penny!) Ha, ha. — ED)

16) ARE YOU INTERESTED IN PRODUCING? WHO IS YOUR BEST PRODUCER?

— I don't have any live producer. I think it's really shit to judge the music by the producer, not by the band. Yes, I am. I want to make grindcore/hardcore records with ultra dirly & filthy sound. It'll be great!!!

17) ARE THERE SOMETHING WHICH
WOULD YOU EXPECT FROM THE
FANZINE IN THE UNDERGROUND?

— To spread G.B.N and to make friends wlb noise sickos all over the world I don't care whether he/sbe thinks our music is good or not. Especially if you readers feel G.B.N. is just a fuckin' asshole, please write to we righl now. Bad impressions about our noise holocaust make us to be more bizarrell I need any letters.

18) ARE THERE ANY MASSACRES TO EX-UNDERGROUND PEOPLES LIKE CARCASS, AND RETIRED PEOPLES LIKE IMPETIGO?

— CARCASS, you were godz!! I understand you're bored with the music lbal you bad done so far in old years but I'm so sad!! IMPETIGO, rise again!! I want much more!! (Fuck yeah!! — ED)

Before I Kill More

19) SOMEONE SAID DEATH METAL SCENE IS DEAD BY MONEY WARRING POSERS. HOW DO YOU FEEL ABOUT IT?

— That's right!! And too many ignorant & arrogant arseholes are destroying the scene, too. But I think it's ok 'cos false trend fashion bastards will leave the scene when they catch the next trend and only ones who really like the music will survive.

20) DO YOU LIKE DOOM/GOTHIC BANDS? WHAT ARE THE BEST?

— Yeah, I like WINTER a lot. Ultra heaviness & chaotic doom! Old BLACK SABBATH is really great and old CATHEDRAL and old PARADISE LOST are so cool, too. But I'm not into these slow music so much. I prefer noisy, dirty, filthy and ultra fast music.

21) G.B.N. IS THE WHICH BAND DEATH OR GRIND?

— Of course we are grind core band!

22) I THINK THERE'S CHATTING ABOUT FULL LENGTH ALBUM, ISN'T IT? WHAT CAN WE EXPECT FROM YOUR NEXT RELEASES? TELL ME THE DETAILS!

— Our next release will be double comp. tapes with Japanese grind core/grind noise bands like: DESOLATION, GENOCIDE, EUTHANASIA (rip), RABIA, SENSELESS APOCALYPSE, CARCASS GRINDER etc. from TABOO music. It'll be killer!! After that, the split EP with CUT(AAARRGGHHH) (What a coupling!! Both are my favell — ED) will be out in this Autumn of the end of this year. We'd recorded 4 new noises & 1 cover song for it. About the album, we made contract with M.W.I. recs. We have to write much more and more new songs for it, so I don't know when it'll be out. Only I can say about it

G.B.N. : (L to R) Mamoru, Akinobu, Hiromori & Kiyonobu.

now is... it'll be full of shit & pukelli

23) OK, THIS IS LAST QUESTION. IS THE MUSIC CAN DE KILL SOMEONE?

— Never! I listened to the music just for fun so believe that it cannot kill!! someone killed other one listening to the music with gore lyrics. I think the music is not cause of the murder. It caused by this psycho sadist!!!

24) FINAL WORD PLEASE?

— Thank a lot for this cool interview. As I said before, the double comp. tape & the split EP w/GUT will be out soon. Hope all you readers will get them and write to me (IRC/s/stamps for the reply). All Jap. readers, come to see our gig. Good luck & take care. Stay bizarre!!! Noise rules!!! ☺☺☺☺☺

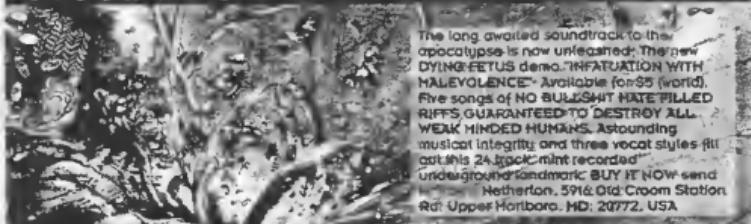

Thaaaaaaa for the answers, Akloob!!! Sorry for this long interview and spend your time to

write this shits. But GORE BEYOND NECROPSY is my real love band!! 'Cause I definitely want to feature G.B.N. on this issue and you know, this issue is filled with GORE/SICK/BIZARRE bands. YOU RULES!!! Well, I've got the adv. tape for split EP w/GUT from Akinobu. (Thank, man!) It's really kill!! well! 4 fuckin' new bizarre noise serial killers on it and one cover song (I won't tell you who's song is). And of course there's some intros from sick lxx. Open your mouth and get ready to eat 'em & taste 'em! I know, I know, I know, you can't wait to hear that, but it needs more time, Taati! So I gotta go. Listen to the adv. tape 1000 times more!!! When I was looking for BIZARRE hand, suddenly my mind came up 'As for MEAT SHITS is total bizarre and sick'. So I made up an interview with Robert! Deathrage of MEAT SHITS, at once. To know, they're the godly noise/grind with porn lyrics. This is good interview, I think. That's why his answers are really interesting even if I was asking bullshit question. Well, here's his words!

1) WELL, HOW'S CONDITIONS YOUR RECENT RELEASES?

ROBERT-So far the conditions are quite good, except with the Brazilian release of 'TAKE THIS AND EAT IT' which has been a fucking nightmare to deal with! This label is total unprofessional to say the least. And I will never do any contacts with ROTTENNESS on a business level anymore! But otherwise enough of my bitching! All the other releases have come out quite well to say the least! 2) EARLIER YEARS OF MEAT SHITS WAS PLAYED TOTAL NOISE MUSIC, BUT NOT TO PLATING LITTLE BIT DIFFERENT FROM OLD STILE. THERE'S HUGE INFLUENCED BY DEATH METAL, INDUSTRIAL MUSIC. WHEN YOU DECIDED TO USE IT ONE TOUR MUSIC?

ROBERT-Well I always wanted to use industrial/death metal in my music style from the beginning. But when MEAT SHITS first formed due to the lack of musical abilities from TOM and a drum/rhythm machine. The main MEAT SHITS could do was noise! It was always planned for M.S. to become much more than just noise, so this wasn't a major change besides M.S. still does noise just like the old days, no change there!

3) WHAT ARE YOUR FAVE INDUSTRIAL AND DEATH METAL BANDS?

ROBERT-I love SKINNY PUPPY, FRONT 242, PITCH SHIFTER, MINISTRY, GODFLESH, CANDIRU, LANDFILL, PHOBOPHOBIA, KMFDM, DETHKLOTH, SURFERS, PICFACE, and many others! My favorite death metal bands include MASSACRE, DEATH, NAPALM DEATH, MORBID ANGEL, PAN-TIY-MONIUM, OBITUARY, BLOOD, DEAD and many many others. Too many to mention!

4) YOU ARE CHANGING SOUND STILE DAY BY DAY. SO DO OLD FANS AGREE WITH YOU? TELL ME YOUR OPINION?

ROBERT-Hmm... well the sound is

MEAT SHITS

MEAT SHITS P.O. BOX 577241-MODESTO, CA 95357-7241 U.S.A.

pretty stable now so it won't be changing anymore, except to get more extreme and more light. But as for what old fans thinks. Most have been very supportive and like the sound of M.S. now as 'M.S. still does noise' (about 50%) and as for what the others think... I really don't care as most of them are very limited in intelligence, and always want M.S. to be the same!

5) YOU PRINTED 'ROBERT DEATHRAGE IS THE M.S.' ON YOUR ALBUM AND YOUR STATEMENT. I AND OTHER ZINE/LABEL PEOPLES KNOWS WHAT TO TELL MY READERS, WHAT?

ROBERT-Because in my area, most musicians are drug addicts and flakes. And can never remain faithful to any band for any reason. So on 'ECSTASY OF DEATH' recording sessions I used 9 different members to complete the project. It was a total fucking nightmare but for the fans I dealt with it and completed this project after 10 months work! But on May 22, 1994, M.S. played the first show in almost 2 years with the members of INFESTER (Jason, Todd, D.J.) Backing M.S., everything went so well. That maybe in the future they will become more permanent M.S. members. Only

time will tell!

6) YOU ARE INTO GORE PILLS, RIGHT? PLEASE TELL ME YOUR FAVORITE PILLS AND DIRECTORS?

ROBERT-My favorite films are I DRINK YOUR BLOOD, TOXIC ZOMBIES, ZOMBIE, CANNIBAL HOLOCAUST, MAN BEHIND THE SUN, BRAINDEAD, MEET THE FEEBLES, BAD TASTE, GATS OF HELL, NIGHTMARE CONCERT, PHENOMENA, TENEBRE, SUSPIRIA and many more. And my favorite directors are DARIO ARGENTO, LUCIO FULCI, PETER JACKSON and many others.

7) M.S. WAS MAINLY RELEASED THE ALBUMS FROM WILD RAGS REC. NOW YOU'VE RELEASED YOUR OWN LABEL MORBUND REC. WHAT RELATIONSHIP WITH WILD RAGS AND RICHARD C. NOW? ANT TROUBLE THERE?

ROBERT-No trouble with WILD RAGS... I am just free to release anything I want from any label in the world. MORBUND will soon become the main label for MEAT SHITS though!

8) ANOTHER NOISE ACT A.C. OUT FULL LENGTH LP FROM BARACIE. SOME NOISE PEOPLES SAT 'A.C. FUCK!' THEY SELLED OUT FOR WORLD'S SHITTY LABEL BARACIE, AND MOST OF THEM HATE A.C. NOW DO YOU FEEL ABOUT IT?

ROBERT-You know Tomoaki I know Seth (A.C.) very well now for over 6 years and yes they did sign to BARACIE. And release album also through TOT'S FACTORY (Japan's BARACIE). But Sesh has made no money and neither has the rest of A.C. Only now in June A.C. album is coming out in the USA. And in Japan, the TOT'S FACTORY version has stupid some translations that make no sense to Japanese noise music fan. And Europe release has a total shit cover! So yes their deal with BARACIE has hurt A.C. But I can assure you they have NOT sold out at all! To sell out means you are making money! And they have made... SHIT!

9) I HATE RIP-OFF PEOPLES, AND YOU DEFINITELY TELL ME ABOUT BULLSHIT RIP-OFF STORIES YOU EVER EXPERIENCED?

ROBERT-To be honest I would rather not as I fucking hate rip-off's so much I get a violent reaction inside of me! Let's just say I want all rip-off's destroyed. They are killing the underground!

10) WHO IS YOUR BEST PORN ACTRESS?

Robert-MIAMI MITAGI is my favorite porn actress as I only like oriental women... mainly

Japanese. Others I like are ANISA, SHANEE CATES, WAT LIN, KITTY YONG, LANA SANDS and many more!!

12) NOW DO YOU FEEL ABOUT AMERICAN GOVERNMENT LIKE GUN-CONTROLL AND CENSORSHIP?

ROBERT-I hate the american government. But it is just as fucked up (if not more) than any other political system in the world. Of course I carry a gun with me and have a collection of them. So I am totally against gun-control. And as for censorship. It is in so many different forms here (music, tv, books etc). That I could never go into detail about it all, as again it would make me very stressed!

12) WHAT DIFFERENCE BETWEEN 'HUMAN EATING ANIMALS AND HUMAN EATING HUMAN'? THIS IS NOT CANNIBALISTIC QUESTION, SERIOUS POPULATION PROBLEM.

ROBERT-I think you are asking the wrong person as I am a vegetarian. But from my view there is no difference. Except humans are vile and diseased. So before anybody eats human flesh, they should make sure it has no A.I.D.S. etc.

13) ROBERT DOING MORBID GRANNY REC. SO, HOW'S IT GOING SO FAR? WHAT TYPE OF THE BAND WOULD YOU MAINLY RELEASING IN FUTURE?

ROBERT-MORBID GRANNY is done by me and Guy Mulidor of CATATONIC EXISTENCE. It is only a very small label. So far our only releases are M.S./CATATONIC EXISTENCE split 7", And the NECROPHAGIA/DEATH IS FUN mini CD and I really can't tell you what type of bands we would release in the future. Except good ones!! ha-ha!!

14) HEY, TELL US ABOUT YOUR WIFE(I WROTE 'GIRL FRIEND' BUT ROBERT CHANGED IT -ED) RUMI 'GONE LUNATIC' IWAMOTO?

ROBERT-My wife Rumi Iwamoto, is only the love and light of my life. I love her with all my heart! Not much else to say really!! (How's your marriage? How about the baby? Oh sorry, your baby is your songs, ha-ha-ED)

15) YOU ARE DISTRIBUTING HUGE

BAND WHO WROTE ABOUT IT? AND WHAT BANDS DO YOU THINK THE BEST?

ROBERT-Well I don't think the lyrics are gore like CARCASS or something. But more like a bateful exploitation fuck. As for who writes good gore lyrics like mine I would have to say DEAD(Germany), or BROKEN HOPE(USA).

17) TELL ME YOUR FUTURE PLANS? AND YOUR LABEL S?

ROBERT-Just to record and release as much vinyl/CD's etc as possible. And this summer M.S. will go on the first ever tour. Hopefully this will go well. As for MORBID GRANNY label, future plans is to release a comp CD with six bands (in association with MORBUND). Also a LANDFILL / CATATONIC EXISTENCE split 7" and MEAT SHITS / MEDIUM split 7". But all of this is a while away!!

18) AND FINAL WORD PLEASE?

ROBERT-Just thanks slot for your interview and support/patience with me, Tomosaki. Good luck with your sine and big bello to all my fans in Japan. And a special hello to my wife Rumi (I really miss my puppy). Cheers to you all!!

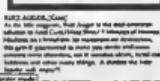

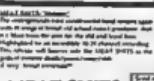

Thax alot Mr. Robert for your great answers!! Sorry I asked stupid questions. Good luck with your band and stay SICK as fuck!! And you, out there, check their killer album & cool EP's out!! MEAT SHITS noise rules!!

CATALOGS OF GORE/SICK FILMS ON MORBID GRANNY. WHAT FILMS ARE YOUR HIGHLY RECOMMENDED?

ROBERT-The film I already listed is of course highly recommended. Others I suggest are: BLACK CHRISTMAS, HUMANOID FROM THE DEEP, LET SLEEPING CORPSES LIE, DR. BUTCHER M.D., I HATE YOUR GUTS, ILSA: WOLF OF THE S.S., SHOCKING ASIA 1 & 2, TRACES OF DEATH, DEATH SCENES 1, 2, 3, S.S. HELL CAMP, RABID, PIRANHA, TOXIC AVENGER, SALO: 120 DAYS OF SODOM, THE THING, MAKE THEM DIE SLOWLY, S.S. EXPERIMENT and many others!

18) I THINK YOUR LYRICS BECOME MORE CORTSY NOW. DO YOU LIKE THE

MEAT SHITS/ BUTT AUGER Split 7"EP

MEAT SHITS

BUTT AUGER

Hello sickol. Have you heard their first 7"EP called "...THE CONFESSIONS CONTINUE"? It's really sick and mean. If you like IMPETIGO, CANNIBAL CORPSE and CUT, you'll like this band. And if you've been listen their stuff so what would you expect from their next releases? Yes, there's a few stuff that they've already got deal with some labels. I'm also waiting their new shirts. I asked about what they do, what they thought and what they create. Here's interview with RIKARD 'gore/porno maniac' VERNEN the drums, let's start!!

1) YOU RELEASED YOUR FIRST 7"EP ON OBLITERATION REC. ARE YOU HAPPY WITH IT? AND WHAT RESPONSE DID YOU GET?

— I'm quite happy about it. After all is it just 3 old demo songs on it and our main goal was just to make those 3 songs better than the versions on the demo and I think we succeeded with that. But... those tracks are very out dated for DERANGED nowadays. Of course, we sound much alike as we did on the single nowadays to but I think we have a more serious approach now if you know what I mean. The response have been quite good really! All the folks that have heard both our demo and this first 7" single thinks that the single is better and I'm more than pleased to hear that.

2) DERANGED IS ALSO FEATURED ON A "TRIBUTE TO VENOM" COMP. CD WITH SOME SWEDISH BANDS. WHY DID YOU CHOOSE 'IN LEAGUE WITH SATAN'? I THINK IT'S SUITABLE FOR YOU.

— We had first chosen 'POSSESSED', and we had also recorded it and fucking recorded everything but the result was just to bad. Shit... it was even worse than our version of 'IN LEAGUE WITH SATAN', so we picked 'IN LEAGUE WITH SATAN' instead which I personally thinks it's the best VENOM song ever done. Probably the only VENOM song I really liked back then. 'IN LEAGUE WITH TOMOKI' is also so damn easy to play when you have figured out what the fuck they are playing!!!

3) YOUR GUITARIST JOHAN AXELSSON IS A FORMER MEMBER OF FURBOWL, RIGHT? WHAT'S THE RELATIONSHIP BETWEEN DERANGED AND FURBOWL? IS HE A PERMANENT MEMBER OR A

HELPER?

— No, our guitarist just happens to have the same name as JOHAN in FURBOWL. It's not same guy. I don't really know who the relationship is between FURBOWL and DERANGED. I think that PRR (DERANGED singer) wrote with JOHAN in FURBOWL for some time ago. We have played a gig with them... '92 I think it was and it was really a funny thing. It was an 'outdoor' concert with perhaps 20 peoples as an audience...

4) I THINK YOUR MUSIC STYLE IS SIMILAR TO YESTERDAY CANNIBAL CORPSE. HOW DO YOU FEEL ABOUT IT? AND WHAT INFLUENCES HAVE YOU GOT?

— He, he... I have heard it before Tomokki! I would rather like to say that we seems to be influenced by the same bands that CANNIBAL CORPSE seems to be... DARK ANGEL, early NAPALM DEATH, SLAYER, RIPPPING CORPSE and stuff like that. But okay... we plays in the same vein as CANNIBAL CORPSE and thousands of others really great American bands. I'm rather compared with such really great bands as CANNIBAL CORPSE, SUCCUBUS etc. etc. than a fucking shitty band like for example fucking PARADISE LOST or some other 'ATMOSPHERICAL' stuff!

5) I HEARD YOU ARE INTO HORROR/GORE/PORNO MOVIES. DO YOU LIKE THESE SUBJECTS FOR LYRICS? WHICH SUBJECT DO YOU LIKE THE MOST?

— Yeah... you're right. We are into that kind of stuff. Yeah, I think it's cool with such kind of lyrics. I prefer 'ORDINARY' splatter/porno lyrics, and I don't like all these lyrics

about serial killers. It's just so fucking stupid to celebrate those assholes. I would like to see what those guys would like to say is those things happened with their own brother, sister or some other relative or friend.

6) MOST OF THE BANDS TAKEN FROM GORE/SICK FILMS FOR LYRICS. HOW DO YOU FEEL ABOUT IT?

— I think it's cool!!! (good answer he...?!)

7) WHAT ARE THE MOST INCREDIBLE FILMS RECENTLY?

— Hum... hard to tell really! I don't think that it has come out so many good (or incredible) movies lately. But one movie that is really incredible must be TETSUO. A Japanese movie which is just like an hour of total intensive brainwash! Huh. Some other films I really thinks it's incredible must be THE GUINEA PIG (another Jap's movie), PINK FLAMINCO (fucking sick and fucking great) and of course all the 3 parts of STAR WARS! A movie like CANNIBAL HOLOCAUST is also fucking incredible...

8) WHO ARE YOUR BEST DIRECTOR IN HORROR/GORE GENRE?

— Argento's movies are just fucking excellent and really well done. Fisces all over the fucking fuck shit! That's for sure. Some other lame directors must be Deodato, Romero, Edmonds and Henenlotter.

9) AND LET ME TELL YOUR MOST CREATIVE SFX MAN? DO YOU KNOW SCREAMING MAD GEORGE?

— Yeah, off course I know about Screaming Mad George. Isn't he the guy that made the SFX work to SOCIETY? He's very great and certainly knows how to 'handle things'. I don't have any special fave SFX work man. I don't know, but I'm rarely sitting and watch how good the FX are done. I like to watch at the movie as whole if you know what I mean. Gore and perversions isn't everything in

a movie that counts!

10) IF YOU WERE A KILLER, HOW
WOULD YOU KILL? TELL ME THE
DETAILS...

— Shit, I don't know. Probably as last and uneventful as possible I guess.

11) BACK TO THE MUSIC. DO YOU HAVE ANOTHER DEAL WITH SOME OTHER RECORD COMPANY? I HEARD SOMETHING ABOUT A FULL LENGTH LP THAT SHOULD COME OUT SOON.

Well, our first mini CD 'ARCHITECTS OF PERVERSIONS' will probably come out in July or something, I guess, and so will our 2nd 7" single, called 'UPON THE MEDICAL SLAB'. The mini CD is going to be released by REPULSE rec. (formerly known as DROWNED PRO.) and our 2nd 7" EP by M.M.I. rec. from Germany. We shall probably record our 2nd mini CD in August, and it's going to be released by INVASION rec. from Germany. Yeah, I'll be doing some chilling about a full length CD but nothing is for sure right now. I don't know... I would really like to release a full length CD.

12) HAVE YOU ALL READY LISTENED TO C.CORPS'S NEW LP "THE BLEEDING"? HOW DO YOU FEEL ABOUT IT?

— Yeah, I have heard 'THE BLEEDING'. It's a fucking great album, but I still thinks that the production could have been better. It's has the same messy sound as 'BUTCHERED.' and 'TOMBS...', which I don't really like. But the songs seems to be well done and with a thought behind them so it's cool.

13) WHAT HANDS DO YOU LIKE
MOSTLY RIGHT NOW?

— I listens a lot to old KISS, LED ZEPPELIN, RIPPING CORPSE, CRYPTIC SLAUGHTER and SLAYER right now. Probably the bands I listens to mostly I guess. Other really great bands are BRUTAL TRUTH, RAINBOW, PYREXIA, IMPRECATION, CORROSION OF CONFORMITY, MALEVOLENT CREATION, DEFLESHED, DEEP PURPLE, VOMITORY, EXTREME NOISE TERROR, MASSACRE, ASSUCC, NAPALM DEATH, TERRORIZER and FEAR FACTORY just to mention some other so to say few bands!!!

14) TELL ME YOUR NEXT RELEASES
AND FUTURE PLANS?

AND FUTURE PLANS:
—Our next releases will be (as I said before) that mini CD on REFUSE rec., 2nd 7" single, the split 7" with ABSORBED and that second mini CD on INVAZION rec. Our future plans...??!! Just to fix as many gigs as possible, write more songs and just rehearse.

15) ANYTHING TO ADD?

— Yeah, I would certainly like

to thank YOU Tomoski for this interview and for your support. We really appreciate it! Thanks as hell! Check out our 7"EP, CD, comp.s we are featured on etc. etc. Anyone that wants to write me...DO IT TODAY!!!

THE IDEA CAME FROM? ANY
INSPIRATIONS GOT FROM OTHER
BAND?

— Thank you for the compliment about my vocals. Well, our main influence is IMPETIGO and we just tried to be mad, more sicker than them. We try to have much more brutal vocals on our next recordings. About inspirations I would say we're inspired/influenced by IMPETIGO (of course), MACABRE, old CARCASS, old PUNGENT STENCH, METAL SHITS, SPLATTERREAL, old ULCEROSO, PILGEK, old DISASTROUS, MURKUS just to name a few.

4) TELL ME YOUR RECENT PAVEMENTS?

— Well, I'm listening to lots of different stuff but some of my faves are BJORK, GORE BEYOND, NECROPSY, MINCIL, TRACI, LORDS, LOVES, NOISE, VOMIT, SPAWN, WU-TANG CLAN, FUNKDOIEREST, IMPETIGO, MACABRE, SPLATTERBEAN, REGURGITATE, ONYX, RED HOT CHILI PEPPERS, ICE CUBE, MAD PLAVA, N.W.A., CLOTTED SYMMETRIC SEXUAL, ORGAN, BLOOD, OUSTER plus lots more.

5) THERE'S INTRO WITH SONG TO
SONG FROM CORE FILMS. ARE YOU
INTO CORE FILMS? (I do, much-ED)
WHAT'S YOUR PAVES?

— I like gore like like
REDNECK ZOMBIES', 'BRAINDEAD',
'BAD TASTE', 'NEW YORK RIPPER'
etc, but I'm not really into
gore movies. I'm more into porno
movies. I love godly chicks like

TRACI LORDS, SAVANNAH, RAQUEL,
DARRIAN, HYPATIA, LEE, TORI,
WELLS, SANDRA SCREAM etc.

6) WHAT'S THE TOPICS DEAL WITH YOUR LYRICS?
— Our lyrics deal about gore +

7) CUT FEATURING TWO MEMBERS OF PYOCENESIS. WHO ARE THE MEMBER OF PYOCENESIS? AND WHAT RELATIONSHIP WITH THEM?

—TIM (guitar, vocals) + JOE (bass) of PYOGENESIS are members of GUT. In GUT JOE plays guitar, and TIM pukes + plays drums. I'm a good friend of them and also the two other guys of PYOGENESIS are OK! We're also played some gigs with them. Hey, there are many people who are telling shit about PYOGENESIS. PYOGENESIS are not trendies or rockstars like many people telling around, they are damn talented and I know they will be BIG one day!!!

8) HOW MANY SONGS DO YOU HAVE, SO FAR?

— That's a good question! I'm not really sure but I think about 20-25! Some new songs are 'DEAD GIRLS DON'T SAY NO', 'VAGINA BERSERKER', 'SPERMATOR', 'PUSSY GRINDER', they are damn sick, believe me! (Yes! I already heard that fuckin' cool sick songs. Defloltely blow fuckin' brains away! — ED)

9) OLIVER, YOU'RE DOING A ZINE CALLED 'CONFESIONS OF A NECROPHILE'. HOW MANY ISSUES DID YOU CUT? TELL ME ABOUT YOUR ZINE?

— There's just one issue out and there won't be a new issue, because I don't have time. I don't have money and I'm not into death metal anymore Death metal sux!!!! I love grind core but death metal is dead

Ok, there are a few bands like AUTOPSY, PHANTASM or INCANTATION that I still like but 90% of all death metal bands suck I think! Please don't ask me what I'm thinking bout black metal!!

10) DO YOU THINK THAT ZINES ARE HELPING UPCOMING NEW BANDS TELL ME YOUR OPINIONS ABOUT PANZINES?

— I really like fanzines but most of the editors are fuckin' rip off, they are out for free stuff and never send you your fuckin' free copy! I'm not really sure if fanzines are helping new bands, I think just true underground people who are reading or doing fanzines can help new bands! The death metal freaks in my area are nothing but a bunch of fags! 90% of them just listen to shit like OBITUARY, GOREFEST, BENEDICTION they don't give a fuck about the underground. Just came ass friend! But some zines that I really like are GORE LUNATIC zine, THE SCAB mag, THE COVEN zine, REAL SICKNESS zine, EXAMINE zine just to name a few.

11) MOST OF THE DEATH/GRIND FANS DON'T KNOW EXISTING PANZINES IN MY AREA. MOST RECORD SHOPS ARE NOT SELLING PANZINES IN JAPAN, SO FAR. PEOPLE CAN'T SEE THE UNDERGROUND SCENE. IS SAME THING HAPPEN IN GERMANY?

— Like I've told you in question 10, there is no real underground scene in my area. In every area are some cool underground freaks, but not really much I think! I also don't like most of the german bands! Some cool german bands are PYOGENESIS, MANGLED TORSOS, NYCTOPHOBIC, NAKED WHIPPER, STERBENILPE, BARCASS, BLOOD to name a few!

12) DO YOU WANT TO EAT HUMAN FLESH? (Ha, Ha.) THIS IS SERIOUS QUESTION.

— No way, I like to fuck human flesh!

13) PLEASE DESCRIBE YOUR SOUND STYLE ON YOUR MOUTH?

I would really appreciate it! Hello to my Japanese friends HIRAGORI (GORE BEYOND NECROPSY), SINYO (GRUDGE), RUMI (GORE LUNATIC zine), SI (CARCASS GRINDER) + ATAKO USUKI!!!

Thank you for your answers, OLLI!!! I know you guys are gonna get more reactions so soon. That's why you're great (porngrind band)! After the interview, I've got their live tape from Germany. It's fuckin' cool! (see the review!) Soon I'll get their new recording materials from OLLI. It must be great!! So wait a little while till it's out. As I said before GUT is my love, please support this great band at any cost!! And buy their EP's!! (Anyway your live was great!! Thanks OLLIE for pleasure time while I'm listening!!!)

OLLI (vocal): Look at his chest! & TIM (drum)

— Just some fuckin' deep growls/grunts! People should figure it out when they're listening to our 7"EP's!

14) HOW DO YOU FEEL ABOUT NAZISM AND RACISM?

— That suckst Fuck that shit!

15) ANY MARCHANDISE DO YOU HAVE?

— Right now there's nothing! We've had some shirts but they're sold out. But REGURGITATE SEMEN rec. plans to do some new GUT shirts!

16) TELL ME YOUR FUTURE PLANS?

— Record new stuff, smoke lots of pot, get more tattoos, fuck more bitches, maybe find a new cool girlfriend. I also want to travel to Japan. I LOVE ASIAN GIRLS!!!

17) ANY WORDS TO RIP OFF PEOPLE? (USING 4 LETTER WORD)

— Fuck you, damn fagst!!

18) ANY ADDS?

— Thank you for the interview + good luck with your zine! Please send me a free copy.

Extreme gore grind master, REGURGITATE from Sweden. Their debut EP (split with VAGINAL MASSAKER) was really impressed me which sound was Ishman voiced grind/noise. Then some other, they added the style which is more closer to grind music as old NAPALM DEATH and old CARCASS vein. Well, I asked these questions to gore throat, Rikard, before they've release split CD with DEAD and full length CD. So, this interview is little bit old but be sure really enjoyable. If I'd heard their new shits before I asked him, I would ask much more interesting questions. So please understand me. Anyway here's a effortless regurgitation of Rikard Jansson! Also you have to check their new shit after reading this interview, okay? Here we go!

1) FIRST OFF, TELL ME ABOUT YOU AND OTHER MEMBERS?

— I'm 20 years old and work as a mail man. Peter is also 20 and work at a mental hospital. Uffe is 22 years old and unemployed. Jooppe is 21 years old and have a similar job as me.

2) REGURGITATE'S DEBUT WAS A GREAT IMPACT FOR ME. SECOND EP IS MUCH BETTER THAN FIRST. AND I'VE HEARD YOU WILL OUT FULL LENGTH ALBUM SOON. TELL ME THE DETAILS AND HOW MANY SONGS DO YOU HAVE?

— Thanks for the comments Tomo! Well, we have recently finished the recording of our CD and it will contain 36 trax + Intro, total running time is about 33 min. The trax sounds a bit like the first CARGASS is mixed with old NAPALM DEATH and EXTREME NOISE TERROR. This CD

should be out during July 94 so...BE AWARE! (Yeah I already heard that, Rikard. Really great gore grind I've ever heard! — ED)

3) WHAT CONTRACT WITH LOWLAND REG?

— We haven't written any contract with him. We paid the recording ourselves and he will send us some copies for us to sell as best as we can.

4) MOST OF THE GRIND/NOISE BAND USE JUST NOISE GUITAR, BUT YOU USE RIPPINGS ON YOUR SONG STRUCTURE, NOT TOTALITY NOISE. I PREFER YOUR STYLE MORE THAN NOISE BAND. WHAT ARE YOUR MOST INFLUENCED BY?

— As I said before, our influences right now are old NAPALM DEATH, old CARCASS and EXTREME NOISE TERROR.

5) YOUR VOCAL STYLE IS AWESOME!

WHERE'S THE IDEA CAME FROM? AND IS THERE ANY LYRICS?

— On the two first EP's I don't use lyrics but on the split CD with DEAD I use lyrics. Yeah, I'm quite satisfied with the vox myself.

6) THERE'S WANT TYPICAL DEATH METAL BANDS WHICH SOUNDS THE SAME IN SWEDEN. WHY THEY MAKE SO SIMILAR SOUND?

— How the fuck could I know? They're stupid. They record in a studio where all the bands use the same sound, oh shizz! I don't care anyway! (Sorry, I asked a stupid question — ED)

7) WHICH IS YOUR SOUND STYLE, GRIND OR NOISE? IF YOU THINK YOUR STYLE GRIND, TELL ME YOUR FAVE GRIND BAND?

— I think we play grind core and my fave bands right now are: WOB 47, GORE BEYOND NECROPSY, AGATHOCLES, RETALIATION, DROP DEAD, HIATUS, MACABRE, W.B.I., etc...

8) WE HAVE LOTS OF GOOD GRIND/NOISE BAND IN JAPAN. DO YOU KNOW ANY JAP'S BAND?

— Yepp! I'm in contact with bands such as: CORE, BEYOND NECROPSY (GODDD222!) and GRUDGE (Hi guys!).

9) ARE YOU INTO CORE FILMS? TELL ME YOUR FAVE?

— Of course I am. So movies I adore are ZOMBIE 3, GATES OF HELL, DR. BUTCHER, NECROMANTIK, BRAIN DEAD, BAD TASTE and some more.

10) WHAT IS THE MOST BULLSHITTING THING I RIP OFF OR...?

— I hate people who talk shit behind my back instead of coming direct to me and tell me what their fuckin' problem is.

11) HOW IS THE PROCESS WHEN YOU WRITE THE SONGS?

— It's our guitarist who decompose our trax, he record them along with a drummachine and then he shows the trax for us other guys in the band at the rehearsals and then we just rehearse 'em live. It's quite simple to do like that.

12) WHO CAME UP THE NAME
'REGURGITATE'? AND
CAME FROM?

— It was me who came up with the name. I saw it in a swedish/english lexicon I liked the word so took it. But of course I know that CARCASS have a track called 'REGURGITATE OF GIBLETS' but I don't care!

13) WHAT'S THE MOST SADISTICAL ACT? DO YOU WANT TO? OR JUST ON YOUR MIND?

— I don't really understand what you try to ask me but it would cool to do the same think that John Wayne Gacy did in his glory days. He was a gay and abused and killed 33 boys.

14) IF YOU WERE WILLY, THERE IS
NAMED GIRL FRONT OF YOU. HOW TO
KILL HER? THIS IS SERIOUS
QUESTION.

—First I should strangle her then have intercourse with the corpse but no until I get orgasm. Anyway, after luckier I should cut off her head and I been place the head on my pillow and masturbate in front of the head shoot my hot love all over the face. That's what I should do. HAH

15) DO YOU HAVE JOB EXCEPT THE BAND? WHAT'S THAT? AND OTHER MEMBER'S PLEASE?

— I work as a mail man as I told you before and Ibis job really SUXXXII I rather want to be unemployed and abuse out

lucked up society who steal money from the poor.

16) DO YOU CHECKING OUT NEW AND UPCOMING GRIND/NOISE BAND? IF YOU HAVE ANT. TELL ME?

— Not for the very moment but I often listen to a great new band here from Sweden called RETALIATION, they play some kind of grind/H.C. stuff it's really cool. You should check 'em out pal! (Yeah, I've heard 'em! They're really cool! — ED)

17) DO YOU HAVE ANY FUTURE PLANS?

— To get more fucked up at the weekends, to get more money for beer and new T-shirts.

18) **WHAT MARCHANDISE DO YOU HAVE?**

— Tepli Stickers for tree ha. ha.

29) FINAL WORD PLEASE?

— Thanx a lot for the short (I — ED) interview, he, he. And of course the great support and interest in RGT. Good luck with your zine hope it will be a good one! **CHEERS**

Well, thanks Rikard for your great answers! And sorry I don't have good questions. Anyway, I hope you had enjoyment for a little while. Then, what do you want for now?...Of course the full length CD of RGT! I don't even think just buy one. It's highly recommended, anyway. Here's hottest news of RGT, they'll record new tracks soon for a split demo with Swedish noise band called UNRESURRECTED in this summer. And also they'll record a new demo of pure grind core sound. It will be out in the middle of this year. I'm really glad to hear that!! Check em out. Well, bye Rikard and good luck with your band!! Cya, pall

Clotted Symmetric

Sexual Organ

CLOTTED SYMMETRIC SEXUAL ORGAN, the grinding mutants from the land of technology and cartoon, Japan. These four guys are looing around anonymously. Well, when I first listened their 'prono' tape, I was shocked their incredible originality which included several different genre like grind, death metal, bizarre, sick, stupid, rock, pop... and animation(!). I've never heard like that before! I really love this band from the beginning. So I made up this interview with these four sick guys. But they hide their real name, like I've said before, I don't know their real name either! Don't ask me, ba, ba, ba... Ok, let's begin.

1) WELL, FIRST OFF I'M GONNA ASK PRETTY BORING BUT REALLY IMPORTANT QUESTION. TELL ME WHEN AND HOW WAS THE BAND FORMED?

SUPER A.F.S.—In 1990 the band formed by BLACK BLACK (bass) and me (SUPER A.F.S./guitar). And band name was GUSTRIC JUICE. At that time, we had plan to release 1st demo including 666 songs. But we failed. '91 we changed band name to ALTERNATE DEAD BODY and GOREPPER 5 (vocal) joined the band. '92 we changed band name few times and an end result, we named our band to CLOTTED SYMMETRIC SEXUAL ORGAN. '93 August, we recorded 3 trax.

This recordings was helped by JUNJI TAKEMI of MAGGOTY CORPSE on drums. '94 January, ANAL LOBOTOMY (drum) joined the band. Now we have rehearsed just 6 times so far, ha ha.

2) I'D LIKE TO KNOW ABOUT MUSICAL STYLE OF C.S.S.O. YOUR MUSIC MIXED UP WITH SOME VARIED GENRE SUCH AS METAL, DEATH, PSYCHEDELIC, ANIMATION(!) AND GRIND. WHY DID YOU DECIDE TO USE THESE THINGS AND WHEN?

SUPER A.F.S.—People will take us for grind core band. Of course, I want to escape from ordinary grind identity. We tried to create it in our promo tape but we failed.

BLACK BLACK—So, we killed ourselves on a rainy day. And we reborn under blood red full-moon.

GOREPPER 5—We try to create grind mixed death/doom, rock, pop and bizarre, sick and gore music since end of '92. All of ideas created by SUPER A.F.S., SUPER A.F.S.—Anyway I don't want to make bands which categorize only grind, death metal. I want to combine many kind of music. Basically we have many 'grind' elements, but we want to get many kind of musical influences like heavy metal, pop, techno, rock, jazz, Jap's pop, progressive music etc etc... So after this, you had better categorize us 'New Wave Of Japanese Heavy Metal-punks'?

3) I THINK C.S.S.O. IS BASICALLY GRIND BAND BUT YOU HAVE A QUITE UNIQUE SOUND. COULD YOU EXPLAIN WHAT INFLUENCES DID YOU GET FROM THE EXTREME MUSIC?

GOREPPER 5—Well, I was influenced by some cool grind and death and BLACK SABBATH, LED ZEPPELIN and Japanese Animation songs.

SUPER A.F.S.—ZUNTATA, THE THIRD EAR BAND, KING-SHOW and other Gane music stuffs...

BLACK BLACK—MAYHEM, VENOM, new BATHORY, HELLHAMMER, SIGH and so on.

4) VOCALS ARE ALSO QUITE VARIED TYPE AND SOMETIMES IT'S FUNNY!

BESIDES, TITLES ARE TOTALLY ORIGINAL, SO THAT LYRICS DID YOU WRITE ABOUT?

GOREPPER 5—We try to get some kind of bizarre/sick voice. Well, about song titles, almost song titles are decided by SUPER A.F.S. so call him.

SUPER A.F.S.—Song title is always decided without lyrical image. 'Cuz I take it for granted that songs are more important than lyrics. For me, lyrics is not important. Because, I can't hear about vocalists sing. Moreover, I am Japanese. Basically, on grind, lyrics exist itself on only lyrics sheet, I think.

GOREPPER 5—I wrote most of lyrics. On hi, itch, venereal disease, confessions, sexual perveralon, stupid things etc.

5) I LIKE C.S.S.O.'S DRUM PLAY. WELL, DO YOU THINK THAT BLAST BEAT IS NECESSITY FOR GRIND BAND? WHICH BAND IS BEST?

GOREPPER 5—Blast beat is indispensable for grind bands.

SUPER A.F.S.—But the definition of 'grind' will change with time goes on... Best band? Hm.. MASUM, RGTE, old N DEATH, TERRORIZER, BLACK BLACK—but right now, what shall replace if grind bands lost blast beat?

GOREPPER 5—My best grind bands are; old NAPALM DEATH, RGTE, TERRORIZER and RIGHOUSE PIGS.

6) SO, TELL ME WHAT IS THE STRONG POINT OF C.S.S.O.?

SUPER A.F.S. - Now, we have nothing to say strong point. GOREPPER 5 - Hey, I think our strong point is disorder to music.

7) YOU'RE INTO JAP'S ANIMATION AND COMIX, AREN'T YOU? WHAT'S YOUR FAVE AND WHO? AND WHAT DID YOU PUT IT ON YOUR MUSIC?

GOREPPER 5 - Yeah, I'm very into Jap's old animation movies and comix. I have about 700 comix. Well, my love animation is MAJINGER Z, GREAT MAJINGER, BAVIL THE SECONDO, CUTIE HUNNY, HARIKEN POLIMER, LUPIN THE THIRD, KONAN, AKIRA, GUNBUSTER, YOYUUTOSHI (all of YOSHIAKI KAWAJI's stuff), some of TAROU LIN stuffs, GENWA-TAISEN and many more! Why did I put it on our music? Actually, I love animation! We played GREAT MAJINGER's song with grind/death metal arranged. Song title is "ZOMBIE FUCK". Lyric wrote by RICKARD of DERANGED! Thank you!

8) I HEARD YOU HAVE A PLAN TO RELEASE SPLIT 7" EP. COULD YOU GIVE US A FEW INFORMATION ABOUT IT?

We have plan to release split 7" with MEAT SHITS on German MORBID rec. It's gonna be out on early '95. And we gonna join some comp. CD and double 7" EP on German M.M.T. rec. Please order it when it's out!

9) SOME BANDS (ESPECIALLY GORE BANDS) TAKE INTRO FROM THE MOVIES. HOW DO YOU FEEL ABOUT IT? IS IT GOOD OR BAD?

SUPER A.F.S. - Some are good, others are not effective. Anyway, to express the band style, it is very effective. BLACK BLACK - Too long SE is shit. It's nothing but boredom.

10) THIS IS A TYPICAL AND A BIT DORING QUESTION. WHAT'S YOUR FAVE DEATH/GRIND BAND TODAY? IT SEEMED TO ME THAT YOU LIKE WEIRD BANDS, HA?

SUPER A.F.S. - I like LUBRICANT (great!!!), ZUNTATA, THE THIRD EAR BAND, GUT, NECRONY, EXIT 13, NAKED CITY, CATHEDRAL, KAIENTAI and many Jap's pop music.

BLACK BLACK - I like WAYNEW, SIGH. Also TIMEGHOUL is cool. Anyway, older sounds are mega nice!

GOREPPER 5 - I really like brutal and bizarre bands. GUT, REURGITATE, DEAD, DERANGED, EXIT 13 are cool! Also I like KAIENTAI, OAIKUKE INOUE, MIZUKI ITIROU.

11) YOUR 'PROMO TAPE' SEEMS HUGE RESPONSES GOT FROM THE UNDERGROUND SCENE. IS IT UNEXPECTED? WHAT DO YOU THINK ABOUT IT?

SUPER A.F.S. - I think our promo doesn't get great response. I didn't send it would wide. Moreover I am not satisfied with that... If possible, I want to re-record it...

12) OH, THANK FOR YOUR DEMO OF THE NEW SONGS! HOW ABOUT THAT? THEN WOULD THEY COME OUT? LET ME KNOW YOUR FUTURE RELEASES!

SUPER A.F.S. - The new song? Maybe it is 'ROLLING THE ZEN'. About 'ROLLING THE ZEN', it is

Japanese traditional (?) torture 'Zazen Kogashii'. Anyway though I make that, I hate 60% of that song. Shit!!!! (Really? I love that! — ED)

13) COULD YOU TELL US ABOUT... WELL... YOUR FRIEND'S ZINE 'CIRCLE OF GRIND' AND HIS LABEL 'OBITERATION RECORDS', IF YOU KNOW ANY?

SUPER A.F.S. - Yeah, I know C.O.G. is running by my friend 'NARUTOSHI'. I have often helped him, but now I really nothing to do with him. Actually, to make a zine is really difficult. Also OBITERATION rec. is running by him. But nothing sure whether he still continues to keep rec. or not. (I understand that. Tell NARUTOSHI, keep on doing that ha, ha, ha. — ED)

14) SO, MY QUESTIONS IS OVER. BUT SORRY I DON'T HAVE GOOD QUESTIONS. ANYTHING DO YOU YANNA SAY?

SUPER A.F.S. - We are very silly, fuck and ultra smegga stench band. Do not check us out! You must study more! Read the books and write more neatly... This is my mother's scolding to me. HI to MIESZKO of MASUM and RICKARD of DERANGED...

15) THANKS FOR YOUR GREAT ANSWERS. FINAL WORD PLEASE?

GOREPPER 5 - Thanks Kanai bros. for this cool interview! Hi readers, if you interested in us, write me.

SUPER A.F.S. - Thanks a lot! BLACK BLACK - Thanks a lot! In blesphemy!!! Hell SATAN! ANAL LOBOTOMY - Take care!!

Well, well, well. Did you enjoy this interview? I hope so. After this interview, I've just got their reh. tape and adv. tape for upcoming releases. That's real killer stuff! You know, they've nothing to release yet, but be sure when they out you gonna blow fuckin' away from here to the beyond world! But it needs more luckin' little more time, please wait. If you interested them write to the following address below. And after you've heard their songs, you should write to him what are you thinking about them, ok? So I gotta go, 'cos I want to feel wonderful pleasure of C.S.S.O. more! Anyway bye guys, c-yall!

DEMO review

CANCEROUS FACTOR "MALIGNANT" demo 93

This US outfit come out good!! Their first official demo "MALIGNANT" makes me very brutal. Especially distorted extremely low growls are awesome! With complicated guitar riffs and GODFLESH like emotional feelings. Heavy metal and brutality with Industrial, grind and noise musics are mixed up. Not much as Industrialized as FEAR FACTORY but here's huge influences of it. As you hear malignant intro leads to three original tracks that are high quality productions of better ways. There's no smell of graveyard but every sickos you can't aitken from this chaotic disease. This four piece outfit soon to get the deal with any label in near future. Pre-printed cover + lyrics sheet. Only \$3/US, \$4/world you'll get a malignant cancer. Write to CANCEROUS FACTOR c/o RAVL PAREDES 926 BROADMOOR AVE/LA PUENTE CA/91744 USA Highly recommended!!

LAST DAYS OF HUMANITY "HUMAN ATROCITY" demo

This is their second demo "HUMAN ATROCITY", including 14 songs and 15 minutes of intense audio-torturing splatternoise that they called it. Musicwise fast paced noisy grind with touch of death metal elements. Drums are sometimes blast beated, ear crushing guitars are grinding. Most surprises are vocals which are harmonized distortion growling that are fuckin' filthy insane. It's not extreme low but total devastating. Actually full of ear torturing. Songs are quite short but enough structure. But one thing I can say that is lack of "wall-of-sound", I need more heaviness and brutalities behind the vocals. If you like grind/noise band, so don't hesitate get this one for your collection. Read their interview in this issue.

TERRIBLE HEADACHE "SUFFERING FROM THE PAIN" demo 93

This tape is their 2nd demo coupling with 1st demo. As you already know about their 1st one, here's talk about 2nd demo. Hard drivin' bass leads to fast grind song "TERRIBLE HEADACHE", "THRASHER'S TRIP" is here and there some break changes with acoustic intro. "VAGUENESS" is a heavy tune which with some thrash metal feelings. Whole vocals are hard core screaming type, musics are very original as well. I can't compare with any intensely bands. They have top notch technical musicianship and unique ideas. There's varied type of music influence like metal, hard core, progressive and huge grind elements are mixed. Most unique and original. And sound is good. Unfortunately this band broke-up now, but if you want to write to TERRIBLE HEADACHE c/o Tatsuke Adachi 1-9-39/Shimisugakko, Fuchu-city/183 Japan Price is ¥190 stamp or 3IRC.

DECAPITATION "THE APPARITION" demo

One of my friend Yuji (of CANNIBALISTIC DISSECTION) recommended this band, yeah they're godly! Early SUFFOCATION influenced pure grinding death metal. Vocals are low growl, hard driving guitar riffs with blast beated fast drums. They holding much brutality and aggression but more intense, killer. This is their first demo and also promotion for recruitment members. Yes, they're lack of members now. Actually this is not a official demo. Sound quality is not bad but using MTR with drum machine. It contain only two songs "SEMPITERNAL" and "SHAPELESS WASS OF VOID". In near future they would have complete line-up that who hide much of talents, so they will release incredible official demo. If you want their full of brutality get this demo for your collection. Write to: Atsushi Miyata 304 Avitason Ogawa 3674/Hon-Machida, Machida-City/Tokyo 194 Japan Price is only postage.

GORGOTH "FIEND" demo 94

This evilish band is Japanese answer to Finnish black metal gods IMPALED NAZARENE. Hyper aggressive speed drum leads to devastation guitar riffs with extreme godly growling vocals. Whole music can be thrashing down all the weakness. Only the three songs in it, one from latest demo. And song is quite long. Main difference between NAZARENE is that and this is not a cyber-punk-sado-metal, it's devastating black metal with some emotions. Unbelievable, this is one man project that all instruments were recorded by him, very talentfull. The structures are quite good that are all same direction. Also titles are similar such as "REVELATION 12", "REVELATION 16" and "REVELATION 4". Anyway he wants your orders. Just write today. And he also doing side project called GOLGOTH and has several demos. Ask him, it's atmospheric noise chaos.

DARKNESS ENSHUROUD "WINTER OF SORROW" demo

This 'soundtrack' ghost has guitar and drum less sound. This two man project sounding dark, horrify, evil and terrifying synthe and keyboard tones with whispering deep and dark voices. Not fast not heavy but most horrible sound here. All songs touches full of evillness that totally scared you to death. They might live in in the dark castle, ha? Sometimes I feel ghost on their songs with gothic and atmospherical feeling that make me haunted, most terrifying and evil possessed release ever. I can't compare with any darkness creators. But one thing, they have much of talents. I'd like to hear their next release. Sound production is bad but don't worry this is a killer demo you never heard. Don't hesitate to write WORLDWIDE rec. or DARKNESS ENSHUROUD c/o Mike Ford 3122 Dunster st. /Indianapolis, IN-46227 USA Price is \$4/US, \$5/world

LUCUBRIOUS "IN NOMINE DOMINI NOSTRI, JESUS CHRISTI" demo 93

Do you know what band came from Spain? Brutal god, AVULSED? Yes, but here's sick one, LUCUBRIOUS! The five songs demo, I can hear the same directions as AVULSED, especially drum parts are very close. Sometimes song structures are same line. Main differences are vocals and guitars which are harmonized stenchy sick vocals and a bit lighter than AVULSED guitar sounds but really great work. Blasts are really cool! "REDEEMING THE TWILIGHT" using keyboard sound on some slow parts, it's a somber as hell. Then hit the blast attack is cool! Sounds are really nice production and color glossy cover and photo, lyrics sheet. Get this high quality demo as soon as possible. From REPULSE records. (formerly DROWNED prod.) Perhaps vocalist Fernando left the band 'cause he running the label, REPULSE with Dave Rotten and Lucky of AVULSED after the death of DROWNED. New address is here: P.O.BOX 50562/28080 MADRID/SPAIN Price is \$6.

MONARCHIE INFERNALE "DESTROYED MIND" demo 94

Their second demo entitled "DESTROYED MIND" just conquered. First demo was full of brutality and distorted sound. This time they're little bit changing the style more into groovy! The song structures and sound productions are much better than old one. Top notch grinding drums are awesome and sometimes blast beated, heaviness bottomed guitars are brutal as well. But, my opinion say, only disappointment is vocal which are less of aggression. Combination of vocals and back sounds are not well. I prefer old demo's. Except the vocals, I like this demo and the band including much of hope in the future. This tape containing 4 new songs, and 1 re-recording material. If you looking for 'groovy' one, then get this stuff. Price is \$6/overseas, \$500/Japan. Write to following address. MONARCHIE INFERNALE c/o Takeshi Kobata D-1104 Green City 2512-1/Shikisai Shikatsu-cho/Nishikasugan-gu, Aichi/481 Japan

VIVI SECTION

VIVISECTION '1ST DEMO' 93'

This tape forgot me early NAPALM DEATH a lot!!! Sound productions are quite good which sounding clear but heavy strings hit my brain. Fuckin' blast beatied last drums are cool. Typical but basic low growls and ear torturing high screams are combining. Yeah, muscles are reminds me US grind gods ASSUCK, TERRORIZER, SIEGE and off course early NAPALM DEATH. Here's no death metal influences 'cause they're true grind core band ever! (But they had been listened PUNGENT STENCH, GUT, CARCASS and so on) This band was formed in May 93, so quite young band. But including a ex-member of TERRIBLE HEADACHE (rip). Also good live act, too. Guitars are so tight. This demo including 5 fuckin' grind songs, the structures are better ways. If your ears want true grind sound get this demo, so your ears will be calm. And don't forget read their interview in this issue.

POETICIDE 'PUTREFACT CORPSE' demo 93

This 3 piece outfit makes heavy brutal death metal from Mexico. The songs are too heavy as hell. Sometimes they using blast beats but focus into heaviness. The rhythms are reminds me MASSACRE, early DEATH and old SEPULTURA vein. Catchy riffs sounding good which are hit like ancient deathmetal's. But bottoms are pounding. Some songs has lead parts and has little melodies. Also last two songs are including acoustic arrangement. As I said before songs are too heavy and 5 or 6 minutes long with good structure. Sounds are well produced in Mexico. This demo contains 6 brutal death beats, total about 35 minutes. What would you come up about Mexican death metal band? CENOTAPIS? SHUB-NICURAT? Not only them POETICIDE hides talents in their face, later they'll make more and more surprising stuff. B/w cover with lyrics sheet. Price is \$6. Write to BELLMEGOT rec. Jorge Marin Mta Apdo-post 19-431/Mexico 03901 D.F./Mexico

GENITAL ORGANS 'DEMO #1' 93

This is first demo of quite young band GENITAL ORGANS from Japan. The cassette comes with red cover and the sound is good one. Meanwhile they play grind core with touch of death metal feeling in somewhere. Heavy rhythms are alternately fast and mid-pace and song structures are good way. Several type of vocals combine low growl, high scream and funny voice. This demo including 5 songs, no lyrics sheet but titles are in sexual subject like 'A TASTE OF VAGINA', 'THROW AWAY VIRGIN'. These two songs I first listen, very popular ways of grind style. I like the songs above. Rests has more funny vocals especially. My opinion say, first two songs are cool I like them. But last two songs are a bit boring to me. They have good talent to make good songs, so they going to way of serious direction then next one gonna be killer. Write to: Suguru Iwana 2069-1, Florida-Katurodal 5-203, Kamigou-cho/Sakae-ku, Yokohama-city/Kanagawa, 247 Japan

GUT 'GEFOTZ & GEFISTELT' promo live tape 1994

Cool fuckin' cool!! My favorite porn grinder, GUT's incredible live materials here. 24 tracks (plus non-credit 'SPERMATIC SUFocation' included, ad lolol 25 tracks!) live recording on Saturday, 28/5/94. Sounds are really great 24 channel recording and of course great performances. Well you can hear sleazy, disgusting and insane grind songs on this tape. If you have their latest EP's, so this is very enjoyable stuff. Also included cover songs of ULCEROUS PHLEGM, BLASPHEMY (this is joke!) and IMMORTAL HATE (how PYOGENESIS). GUT's sounds are really raw on their EP but this is much more raw than EP versions. I love this still Truly, this tape is really rare item 'cause limited only 111 copies. I don't know it's still available, maybe sold out now. But you should find traders in somewhere. You'd better listen this great stuff and buy their EP's!!

DESPERATE CORRUPTION 'DEADLY SPAWN' demo 94

They must be Japanese answer to the Florida-death-heads. Unbelievable high quality production with high technical musicianship. Can't you imagine that this is their first demo. Amazing. Short intro leads to edged guitars are pounding my ears. Then fast blast beatied speed crush my bones. Good structures with lots of break changes. Just one listen the song 'DEADLY SPAWN', you'll invite their deadfull world of corruption. Guitarwise, it reminds me especially CANNIBAL CORPSE but songs are more close to MOLELCIDE CREATION. You know they aren't from Florida, but DESPERATE CORRUPTION were huge influenced by Floridian based death/grind bands. Production is also similar to DEICIDE that clear but tight and technical. Get this quality demo. It contains 5 songs with oriental cover art. Available for \$6/overseas, ¥500/Japan including postage. Write to: c/o Mitsuaki Maeda 303, 2-19-39, Shimomineoka/Shiki-city, Saitama/353 Japan

CANNIBALISTIC DISSECTION '222 SONGS DEMO 93-94'

Japanese grind/noise act C.DISECTION hits!!!! you bleed!!! This demo has two faces, 1st demo 'BREEDING MAGGOTS', untilled 1 to 209 songs are short noise core that was huge influenced by A.C.C., MEAT SHITS and T.M.O.N. recorded in 93. Titled 210 to 222 songs are their 2nd demo 'POST-MORTEM DISSECTION', they're a bit more close to gore grind style that reminds me godly GENERAL SURGERY, or early CARCASS's brutality adds old N.DEATH's intense violence, recorded different line-up in 94. 1st demo was high pitched screaming vocals with chaotic noise guitar assault. Besides 2nd demo has extreme low growls and some songs are much longer, not just a noise chaos. I prefer 2nd demo 94 'cause they're really turn me on!! 'POST-MORTEM DISSECTION' which is almost two minutes long song that reminds me G.SURGERY a most. 'STABBED THE SCHIZOPHRENIC'S Vagina WITH ROARING CRUTCHES' crush your bones. One of the most incredible demo I've ever heard. Read their interview!

GUTWRENCH 'EITHER WITHOUT YOU' demo #1 93

The band from The Netherlands, their music are ultra heavy as hell. 'NECROSIS' is starting doomy tempo and catchy riffs which I really like, then turned to fast but heavy grinding parts. Others are fast paced drum with blast beat style rhythm and song structures are very good way. Whole plays are too light. They use sometimes melodic guitar works and harmonies, but still keeping heaviness. Vocals are typical low growls but strong voice. High quality sound production that I can't believe it's their first demo, quite good condition. If you like heavy death metal, choose this quality demo. This demo containing 5 songs plus intro, and b/w cover. They're promising act, so don't miss this masterpiece it's too late. Price is \$5. Write to following address. c/o Edwin Ferdinand Huyckstra 8/1507 PZ Zaandam/The Netherlands. Also T-shirt is available \$12/world, black, two color, demo cover design.

AS SAHAR 'PRIMITIVELY EASTERN WINDS' demo 93

After the 'GLOOM TRADITION', an oriental intro, then starts 'CASUS LUCIFER' mid-paced unholy blasphemous black metal song. Mid toned scream vocals leaped you to the dark side of the world. Sometimes they turned to fast parts but not blast. It seems huge influenced by MERCYFUL FATE or whatever old thrash black metal. Just a basic style. They are not similar to Norwegian bands, 'cause they from Singapore of Asia. Kinda source of oriental mood from their birthplace, Singapore. It would be AS SAHAR's original point. Sound production is not bad but not perfect. Song structures are good, enough to listen. Pro-printed cover with 8 songs + intro, outro. If you want ancient dark music, so it's gonna be yours. Price is \$6. Get your copy to: AS SAHAR c/o Dik 58 Marine Terrace, #07-57/Singapore 1544/Republic Of Singapore

EUTHANASIA 'LIVE AND REJOICE' 93

Now this band broke-up. This is a godly souvenir for all death/grind maniacs around the world. It has two side which are; live side containing 10 songs recorded in 22/8/93, including cover song of E.N.T. & DOOM. Reh. side are studio session in 20/8/93, also including E.N.T., DOOM and godly GENERAL SURGERY's 'SLITHERING MACERATION OF ULCEROUS FACIAL TISSUE' jamming with CORE BEYOND NECROPSY members. Basically they were influenced by early grind core bands and also their music reminds me a bit of gore grind. Tuned down riffs are suffocating humanity and extreme low growls are torturing my both ear. Fast grind death core. If you have 'SWARMING MAGGOTS' demo, you can enjoy their other side. As you know sound productions are not good 'cause it's live and reh sound. Get your copy now. Price is \$5/world or ¥500/Japan. CRYPTAL DARKNESS 'DEMO 94'

I've received this demo from Paul 'Ghoulish exhumers of corpses' Venables as bass player, Aussie gore grinding serial killers, CRYPTAL DARKNESS. They're godly sick/gore band. The sounds are reminds me of early CARCASS, CANNIBAL CORPSE and IMPERICO. Vocals are ultra low distorted growls that are really fits my ears. And they use sometimes different voice. Fast blast beat style rhythm and noisy raw sound guitar. Musically this demo is totally gore sound such as smell of graveyard or bloody butchery. I love this demo a lot! But I want more bottom sound, productions are a bit lighter. All seven songs has good structures and enough quality with color cover. Unfortunately this demo is sold out now. But their some materials entered 'APPOINTMENT WITH FEAR' vol. 3' comp. CD from CYBER music. Check this out! Their next victim is you. Beware and watch out for next release. VERMIN "SCUM OF THE EARTH" demo 93

This band from Sweden, but don't get me wrong they're not typical "Sunlight recording" Swedish sound. Thinking about that the band from Sweden, you shall remind typical death sound, that's fool. The band has varied type of the bands actually. Anyway the case of VERMIN, huge influenced by grind music with also touch of death metal elements and sometimes they use good melodies between grind parts. Vocals are low growl with low screaming on breaks, guitars are heavy grinded and unique rhythm parts are their original. The whole images are remind me not European death/grind, it's American style I think. The song structures are quite good and cool. This their 3rd demo has high quality sound production with 7 songs + intro, outro. Pre-printed cover. Price is \$6. Prowling act! Also "DEMO '92" and "LIFE IS PAIN" demos are available. J. SVENSSON/NORRASAGATAN 29 C/S-571 35 NASSJÖ/SWEDEN

INFESTUS "UNNATURAL LEGACY" demo 93

The four piece death mongers from Spain. Well Spanish scene is very active today, such like ANTORPOMORFIA, SPONTANEOUS COMBUSTION, FERMENTO and brutal god AVULSED etc... INFESTUS is also good band, too. They play a bit technically death metal, and their rhythms are reminds me of a bit like CANNIBAL CORPSE. Also whole Images feels like Florida-average-death-metal-sound. Vocals are much brutal and great growler, guitars has catchy riffings and nice solos. Especially sound productions are really good as professional recording. Song structures are well done. Apart from that I really like Spanish death metal like above mentioned bands. Well this tape including five songs and has top notch quality. Worth checking out. Write to REPULSE records/P.O.BOX 50562/28080 MADRID/SPAIN I don't know the price, maybe \$5 or \$6 ask them.

ESTUARY OF CALAMITY "LOSING MYSELF IN THE CRYPTIC BREEZE" demo 93

This US four piece play gloom oriented doom death metal. Very depressive, dark and cold world. When I saw their flyer I was expect total atmospheric doom metal sound. However they had some speed parts on every songs. So rhythms are alternated fast and fuckin slow parts. The slow parts are really doomy as hell and reminds me of ISL CATHEDRAL. And whole song Images reminds me of Japan's doom/death gods TRANSGRESSOR. The technical bass leads the rhythms. Vocals are extremely low growls like a zombie spoken. But guitars are less of brutalities, I think. I want more heaviness of guitar sounds. Sound production is not bad but not perfect. Nice six gloomy doom/death songs with six intros/short instrumentals. All songs are over 5 or 6 minutes long. Get this quality songs demo to: ESTUARY OF CALAMITY C/O ASH THOMAS/3657 WOODSONG DR./CINCINNATI, OH 45251/USA Pre-cover with lyrics sheet. For doom/death maniacs.

DEATHTRONE "MEMORIES OF THE EXHUMED" demo 94

Wow!! It's great!! I've got the perfect TRUE death metal demo from New York. Really strong and tight rhythm and catchy but heavy, intense and brutal guitar. Vocals are extreme low growling which reminds me mighty IMMOLATION and MORTICIAN (nodes). Yea, musics are also same vein as mentioned above bands. They're came from same area, N.Y. And very close friendship with them. Sometimes I can feel the similar direction as MORBID ANGEL. But not too much blast heated drums, just basic fast paced rhythm parts. The song structures are well done. This demo including 4 fuckin' great songs and color-cover + lyrics sheet. Of course, sound production is really good. That's why this demo was produced by Rnger of MORTICIAN!! I'm really interested in it, so I had a interview with them. See the interview page. Price and address is there. Check it out!! Highly recommended!! Order now.

SENSELESS APOCALYPSE 185 SONGS DEMO 93

Formerly CUNT DECIDE, now SENSELESS APOCALYPSE, the Japanese noise grind master. Most of you already know or listen them but they're really talented noise band. So I put on it. Huge influenced by A.C.A. Insane high screaming vocals are featured on through the tape. Untitled 185 songs are all same direction which are short, fast and grinding noise! I really impressed their drum parts, he's a good drummer. They're noise band but they're not so chaotic, simple but good. Now, they've got some deals so watch out for their next releases. This demo is good quality and clear sound production. Also vocalist Manabu running his own label called BLURRED records. Mainly the label would releasing HC/crust sounds, these maniacs should check it out. The label soon to be out MEAT SUITS "MINDFUCK DELIRIUM" 7EP, \$7/¥800. The demo price is \$5/¥500. CRUCIFIER 'BY DISGRACE OF GOD' cass. EP 93

Do you remember their 'UNPARELLED MAJESTY' the cass. EP 92? That was world's most heavy black metal tape. CRUCIFIER comes from PA, USA. Their music can be raping all nuns ass! Truly blasphemous, occultic and demonish evil music they create. They're greatest TRUE satanic death metal band such as MORBID ANGEL, INCANTATION and other cool gods. And their songs are also reminds me such bands. Especially vocals are similar to INCANTATION and songs too. Sometimes vocals are a bit screaming like typical black metal band. But something special, they are. And with evilish spoken. Awful guitars are too heavy as hell. Fast, blast and amazing drums are really 'beat me up'. The songstructure has many breaks and slow parts. Fuckin' blasphemy, most unholy! CORPSE FLESH GENITALS compilation tape vol. 1

This comp. dooey by a guy from Swedish cool grind band, NASUM. Total 60 minutes of devastating assault. This high quality comp. tape I've ever heard! And all bands from Sweden. First of all, FULMINATION, heavy but brutalist Swedish sound hit my stereo. Next EADNE OF SANITY, 'PERNICKY ANGUISH' was first E.O.S. song ever to be written, taken from old recording version. DECORTICATION, DEFORMITY and ALTAR also good band and from their latest demos. 'PROTEST AND SURVIVE', NECROTY's latest recording session. DAWN from their latest promo. INTURIA has good song structure but vocal is not my type, bit hard core-ish. RETALIATION, 2 songs of hyper-cyber-mega-ultra-blast-grind-noise-core. Plus more great and brutal deathstar, DAWN OF DECAY, SUFFER, EUCHARIST, MYSENTRY and UNCANNY are blow your fuckin' head off! Also you can get mini zine. Write to: C.P.G. BLOOD RITUAL 'CRUCIFORM ANTITHESIS' demo 94

After the short intro, MORBID ANGEL influenced black and dark death gets my ear. This four piece comes from USA and you know, the title talkings what music they play. It's really aggressive and brutal black metal but not European type band. Some structures are a bit close to DEICIDE, MORBID ANGEL but unfortunately, their aim had not being at that class. Mid growling vocals are typical but had enough aggression. Guitars are holding good way of brutality, drums are sometimes blast, mainly fast speeded. Sound productions are not perfect yet. Besides, edgeless sound make me little bit let down. Further they need much effort to find their originalities. Price is \$5, I think. three songs plus lyrics sheet, xeroxed cover. Write to: BLOOD RITUAL c/o Scott Sanders/2016 106th Ave. RC /Bellevue, USA 98004-2812 Their next material will be killer one.

ANGELKILL 'GARDEN OF CROSSES' demo 93

Well, this demo is very varied such as death, heavy metal, doom, black, thrash or whatever all kind of extreme musics are together. This band formed in 1988, vocalist Blakk himself. Then several line-up changed. This demo is their 3rd demo which reminds me really nervous. 'Cause I can't explain their sound one word. Some types of musical elements are combines. Let's see... kinda doom metal like INSOMNIA. They're not typical death metal band. Vocals are sometimes high toned and has basically mid growl. Song structures are really complicated. If you expected death metal sound, you're wrong. ANGELKILL holding really heavy music but really unique band. Sound productions are raw and heavy, plus Color cover. All 10 songs are very enjoyable. If you looking for NOT typical death/grind sound then choose this demo! Price is \$6/world. ANGELKILL P.O.BOX 371/LECLAIRE, IA 52753 USA So, judge for yourself what sound ANGELKILL is. Right, Blakk?

NECROPHOBIA 'IDEALIZE' demo 94

I've got this demo just today (ha..ha..). Well, this band play brutal grind but not average sound. I was really impressed when I first listen! First off, their rhythms are reminds me Jan's psycho grind god, GORE BEYOND NECROPSY, but songs are not so close. Complex guitar riffings are a bit reminds Industrial music. Yes, sometimes their sounds really Industrialized. But I can't feel industrial death god, FEAR FACTORY sounds. They have totally original ability. This demo using drum machine, so you can try to listen mega grind beats! But that's why they were lack of members. Now they've got complete line up and starts play gigs till now. It must be very interesting. This tape containing 5 fuckin' original deathly Industrial grind songs. And b/w pro-printed cover plus lyrics sheet. Sound productions are really great! This, their second demo shows us hatefull disgusting apocalypse with three types vocal and top noble technics. Plays are really tight and clear. They formerly called CHURCH OF MISERY, several demo released change their name to INSOMNIA now. The songs of INSOMNIA are extension of CHURCH OF MISERY and has much closer to 70's real doom rock sound. They've got the hint from ST. VITUS, PENTAGRAM, TROUBLE, PENAÑCE and more great real doom bands. Stevo's singing is totally difference from IMPETIGO, like such above mentioned band's. BRAIN DAMAGE 'REH DEMO 2/93'

This band is two man hobby project, member from RECURGITATE and LOBOTOMY, plays total chaotic noise core. Their latest demo, it seemed to me they used drum machine. This tape was recorded at LOBOTOMY's reh. room in two hours which played Rikard:drum, Duddle:guitar and grunts. Absolutely this band sounding chaotic noise and really insanell if you're narrow minded person, you can't accept any of their thoughts. No death metal/grind/industrial here. Just a devastating noise chaos apart from RECURGITATE and LOBOTOMY sound. Or you're really into noise music, then you'll love this sounds. I've got the tape from Rikard, he put in some BRAIN DAMAGE songs for me. Such like their demo and upcoming split EP with GUT. That's really crazy sonobabilich! Shit, I'm falling love'em. SLOUGH 'ANAL LOBOTOMY' off reh. 94

Hey sickos! You must have this one! SLOUGH (stuf), the perverted sick grind gore brings me rotted heads of dismembered children! They were thrashed, raped, cutthroat and collected in the basement. And they drink their blood and eat them alive. Well, seriously, SLOUGH plays ultra sick grind with fast paced rhythms and spewing deadfull vocals. The vocal is veins of early DISGRACE and such a sick one. This demo is kinda reh. recording but production is really nice and clear. Three songs of perverted sexual abuse. This demo is a luckin' sick and really this my earl Also, Rick, the owner of basements (1), recorded two new songs for me. Yeah, that's cool, bout I love them! NECROBIOYSIS 'THE PILE OF DECAYED ENTRAILS' demo 93

The sick bastards of gore, NECROBIOYSIS from Finland. But now they changed their name to MINDSHRIEK, and a bit changed the style. Well this is their 2nd demo, they play blast beat sick grind with touch of death metal feels. Brutal low growls and nasty screams makes me luck like hell. Grinding guitars did really great work. Their titles are about sick subject such like 'SLASHED VICTIM OF SENSELESS MURDERER', 'BUTCHERY BY THE LUNATIC SLEEPWALKER'. Also they put a small melodies which reminds me of Swedish VERMIN. This demo really kills my ear, lastly as luck! Besides, Pasi(bassman) recorded me adv. tracks for split 7" ep with INTENSE AGONIZING. They are the same line as this demo songs and of course great as well. The 7" ep from M.M.I. rec. So we can expect their next materials under the name of MINDSHRIEK. ANDUSIAS 'DEMO 1' 94

This five piece (vo/ba, gtr2, dr, key) black metal-ish band from Japao. They've got influences from BATHORY, CELTIC FROST, MAYHEM etc. The songs are mid-paced melodious dark metal sound. Vocals are quite good as the black metal band which are a bit typical screaming voice but it's for the band. And guitar sounds are not so typical as Norwegian black metal bands. The sounds are shining bright and riffing are keeping nice melodic chords. The aid of keyboard sounds the band holding quite good sense of melody which reminds me of Japanese black metal god, SIGH. Yes, keyboard play done by MIRAI from SIGH. He was great help of the band, ANDUSIAS. Also the band used drum machine for this demo. But now the band got real keyboard and drum member. This is not insane crazy black metal but really good for the black metal maniacs. Sorry I don't know the price, ask him. e/o RYUICHI MIZUKAMI 1-2-11-205, HASHIWOTO, SAGAMIHARA-CITY, KANAGAWA, 229 JAPAN

HECATOMBE 'BLESSED IN HORROR...' demo 93

This brutal death metal act hailing from Panama. You already know as the band from Panama called ENSLAVER. On the case of HECATOMBE, they play heavy death metal with touch of grind elements. Rhythms are not only fast as grind band. They've got the influences from old school death bands such as ENTOMBED, old CELTIC FROST and old SLAYER, but mostly they reminds me of old SEPULTURA. I can feel same vein as ENSLAVER, too. Unfortunately sound production is not so good (especially vocals are all distorted) but songs are real cool, I like that! This demo containing 6 brutal songs and 1 live version and 1 reh. version. Also JUSTO, the guitar player, recorded some reh. songs for me. I love the sound of that vocals which are not selected as the demo songs. I hope, they should use none effect low growls next time. But I really enjoyed this tape! The song structure is quite good. Price is \$5. C/O JUSTO VILLALAZ P. O. BOX 11181, PANAMA(6), REP. PANAMA

EPIDEMIC CAUSE 'FIRST DEMO' '94'

Are there any Industrial metal fans? Ok, this is for you. This four mechanized heads brings us cold electric mind storm. Heavy, pounding, mind-raping brain crush sound. I don't know much about this band but really great Industrial metal band, from the country of technology, Japan. Also sound production is high quality, not average demo sound, really nice. Now I'm warping into space to space... Their coldest sound sneaks into my mind and eating my brain. Well this demo reminds me of CANDIRU MINISTRY (only heavy and slow tunes) and sometimes I feel like GODFLESH and FITCH SIFTER. However they have quite original sound as above mentioned bands. So if you like Industrial sound get this demo as quickly as possible. You won't be disappointed. The price is \$5, ¥500. CLOTTED SYMMETRIC SEXUAL ORGAN 'REJ DEMO' '94'

One of my favorite band, C.S.S.O. from Japao. This tape is their recent studio sessions as 13 sick/blister songs. Plus 2 of their adv. songs for upcoming releases. On the reh. songs they are godly original sound you've ever heard. Here's some of their song titles, 'PENNISNATCHER', 'ZOMBIE FUCK', 'NUCLEAR KARATE MAN', 'SPARTAN SEX' and 'DO NOT'. Well, do you think that what sounds would imagined? First time I've heard their songs, I was really shocked. 'Cause of their total originality. They mixed some kind of sources up. Most unique element is Jap's animation (cartoon). They put it on the songs, SE and guitar solos. If you want to know the details read their interview on this issue. You'll find the answer. Also sound production of this reh. tape is quite good. Some times reh. tape has really bad sound quality. But it's not. I recommended for sick guys! Price is \$4, ¥500. But limited only 150 copies, hurry! Address is on the interview page.

DESECRATION 'MANGLED REMAINS' demo '93

It's my tastiest Pute perversion and pure gore sound here! I'd heard this demo before couple months ago I'd definitely feature their interview on this issue. But I'm late... DESECRATION really kills my soul! Well, they play real brutal gore death/grind with extremely perverted gore lyrics. That's why they're UK's only true gore metal band. Look at their lyrics for yourself. Vocals are lowest brutal growls as same vein as the band like MORTICIAN, CANNIBAL CORPSE and IMMOLATION. Rhythms are fast paced but not only blast. These four songs are all sadistic ear torturing butcheries. They said this the recording was low budget so the production is not so good. But I don't think so. All songs are really raw and has enough quality. Well, actually this demo has no cover art. The cost is free, only cover postage 70 p stamps or maybe \$3 or 4. DESECRATION C/O CLIFFE P. O. Puckin' crazy sanola-bitch! Filthy stinking totally shit bastards comes again! DEAD BEAUTY is two man joke (I don't think so) project from CONSCIOUS ROT. These Lithuanian shithead bastards take me to the world of pleasure and pain. Whipping grind noise metal plus funny instruments. Strongest riffs with distortion insane growlings. The rawest (and dirty) sound that I've never heard before! But it's too cool! They look again a few cover songs which played twisted arrangement. Mostly SABBATH 'ZERO THE HERO' is a incredibly best performance more than other band did. If you heard their 1st demo 'FAREWELL BY GREETING', you can totally enjoy this insane still masterpiece. FLACHENDRAND 'REIL' '94'

This grind/noise project including member of W.B.I., TUMOR, NECROPHILIACS and a guy from RODEL records, Germany. This tape is reh recording but production is too good. Insane screaming with high pitched grind guitar, blast beaten speed drums. Mostly reminds me of W.B.I., early N.DEATH, AGX and such as godly sound. Song structures are quite good, whole image is luckin' grind as well. There's no death metal influence, true grind/noise here. If you really into grind/noise, just listen at any cost or find trader who has this great tape!

EVISCERATE 'DEMO'

I don't know much about this band but songs are pretty good. They play brutal death metal, guitars are heavy tuned catchy riffs and showing some brutal faces. Vocals are also typical but good growler. They're not speed demon, song structures are heavy and boltomed rhythms. Also some slow parts are included. Main influence is ROTTREVORE, early ENTOMBED and some heavy death bands. I only know is that they hailing from N.Y. The tape containing 4 quite good songs. Just try to listen this band. I don't know their address, sorry.

GALLONS 'BUTTERFLY -PROMO TAPE '94'

I've got this tape from my friend (I banks Shinichi) and he recommended me this Israeli outfit, GALLONS. What sound would you expect from Israeli band? Oriental melodies? Yes, there is, and it's their original. These 3 piece plays down rock meets grind rock which blended so well. Also they holding keyboard parts which play is improvised like 70's stuff. See SABBATH, GRAND

FUNK, ZEPPELIN I can hear the such as 70's element in their songs. Especially keyboards melody reminds me of continental sound. Only 3 songs but total 20 minutes long wide range doom/grind rock. The last one 'POTMIC ENDY' gives me a trip to the other side! The promo demo is not for sale, only zine, label and traders. Trading to: ELAD SHAPIRA/MAGOOD HAIVR 19A/K. HAIVM 26304/ISRAEL

Tell this tape is not for sale, but they have godly sound. 'Cause I put it on this section. Two tracks from recent live. Really good structure and lots of breaks. They're heavy lined death metal and reminds me of Swedish sound. Yes, their aim is going to make a godly Swedish sound, like a EDGE OF SANITY. They said next materials gonna be a more melodic and has lots of guitar harmonies. You'd better memorize their name. And they would be out first demo on this winter live. Watch out for it and ask when it's out. Write to: TAKESHI OKOUCHI/18-2-304, INO/SAKURA-CITY, CHIBA/285, JAPAN

CANNIBALISTIC DISSECTION had been around a couple years. Their 1st demo including 209 songs. As you know what songs they created. However, their 2nd demo was a bit different that are much longer. It reminds me RGT. It's really like their 2nd demo. So, here's talking with YUJI SATO(Gu). Let's dissect!!

1) WELL, NOW'S IT GOING? DID YOU FIXED THE MEMBERS? LET ME KNOW TOUR CURRENT LINE-UP?

— For the present, H. ORIHARA(vo, Y. SATO/gu, and M. MATSUDA/dr(support)).

2) YOU JUST RELEASED TWO DEMOS, WHICH IS YOUR BEST? I THINK BOTH ARE NOISE CORE/GRIND NOISE, BUT IT COMPARES THAT A BIT DIFFERENT. — I like both demos. I think 1st demo's sound is influenced from SORE THROAT and T.M.O.N., and we tried to make sound have originality on 2nd demo. Of course, 2nd sound contains the elements of 1st.

3) WHY "POST-WORM DISSECTION DEMO '94" WAS TITLED ON EACH SONGS? IS THERE ANY LYRICS? WHAT

SUBJECT DID YOU WRITE ABOUT?

— Because I couldn't title on 1st. (laugh) Of course there are lyrics. Substances are necroticism, dissection, abnormality and sex.

4) THE NAME OF CANNIBALISTIC DISSECTION REMINDS ME CORE FEELINGS. DO YOU LIKE CORE FILM? IF SO, WHAT ARE YOUR FAVE?

— "CANNIBAL HOLOCAUST", "DEATHFILE", "SUPER JUNK" and "THE GUINEA PIGS", "THE TOXIC AVENGER". And I think "Ultimate Fighting" is cool!! Deathmatch of WING and I.W.A. Japan is brutal!!

5) HOW MANY SOLD YOUR EACH DEMO? AND ARE YOU SATISFIED WITH IT?

— I sent demos to distributors in the interior and overseas, so I don't know the amount sold currently. But I am satisfied!

6) I SUPPOSE C. DISSECTION

WAS INFLUENCED BY EARLY MEAT SHOTS, A.C., OR SOMETHING LIKE THAT. BUT I FELT SOMETHING SPECIAL IN YOUR MUSIC THAT IS SOME KIND OF DIFFERENCES. DO YOU THINK THAT WHAT IS THAT?

— I said just now, the influence was gave from SORE THROAT & T.M.O.N. I

think our sound have

elements of death metal

and grind core.

7) TELL ME YOUR OPINIONS ABOUT NOISE SCENE NOWADAYS. WHICH ARE YOUR FAVE BANDS?

— I don't know so much about noise. My favorites are ASSUIC, CACOPHONY, FEAR OF GOD, REGURGITATE, ANARCHUS, NUCLEAR DEATH, DOGMATIZED, old HAPALM

DEATH, RAPTURE and etc...

8) ARE YOU INTERESTED IN ANOTHER GENRE LIKE INDUSTRIAL, AMBIENT AND GOTHIC ETC.?

— I'm not interest in these so much.

9) WHAT DO YOU THINK ABOUT THE LENGTH OF THE SONG? MOST OF THE NOISE BANDS MAKES "WORLD'S SHORTEST SONG". ARE THEY GONNA GET BIG IMPACT ON PURPOSE?

— I think that, I want to play the completely grind, stupid, shit and noisy. So I think short song is good. But I don't know other bands.

10) WHAT IS YOUR NEXT MUSICAL APPROACH? DID YOU HAVE ANY INFLUENCE CHANGE? OR SAME DIRECTION?

— Secret!! (laugh)

11) TELL ME ABOUT YOUR SIDE PROJECT?

— I have another grind core band, and the band of former vocalist (H. SHINOZAKA), I'm helping as guitarist for that. And I have some bands.

12) IS THERE ANY RECORDING PLANS? WHAT ARE WE EXPECT FROM YOU?

— Secret!! (laugh) If you want to expect, or don't, I leave that to you!

13) THANKS FOR YOUR INTERESTING ANSWERS. FINAL WORD PLEASE?

— Thanks for your interview. Good luck to your fanbase!

After this interview, I've got the rec. tape from YUJI. It was recorded in small studio, but feels great! Total, chaotic grind/noise! Fuckin' killer tape!! So, watch out their next action!! Write to:

LAST DAYS OF HUMANITY

This band was formed in 1989. Several line-up changes, then they recorded 1st demo entitled "THE DAWN HAS COME" in 1992. It was in 72 songs mega grind/noise/ car torture plus intro. Vocal was pitch-shifted extreme/splatter growling that on the grind/noise music. I've got their second demo "HUMAN ATROCITY", 11 songs 16 tracks recorded 14 songs grind/noise with an intro. The vocalist HANS SMITS running his own label LOWLAND records. So, here's interview with my friend HANS "Inhuman splatter noise creator" SMITS.

FAIRLY FAMOUS SPLATTER FILM. YOU SEEM A BIT INTO CORE/HORROR FILMS.

1) LAST DAYS OF HUMANITY IS A
QUITE OLD BAND WHICH PLATING
SINCE 1989. IS THERE ANY MUSICAL
DEFFERENCES BETWEEN NOW AND
THEN?

HANS-In the very dark beginning we played just noise cause we didn't know how to play our instruments. When we recorded our second could play a bit better. Also we used a harmonizer over the vocals. At the present day we got 2 new guitarists, and a new bassplayer. Our new songs are more death/grind but still with ultra brutal vocals. So the main differences are that we have evolved from chaotic noise to brutal death/grind.

2) BIG SUCCESS OF THE BANDS LIKE
A.C.X., MEAT SHOTS AND T.M.O.N.,
NOISE BANDS GOT ATTENTION IN
THE SCENE. NOT DO YOU FEEL ABOUT
THE FUTURE OF NOISE SCENE?

HANS-I think that the noise scene will continue to exist. But I don't think that it will ever be as big as death metal or black metal.

3) ASK YOU ABOUT "HUMAN ATROCITY"
DEMO. A NYRO WAS TAKEN FROM

LAST DAYS OF HUMANITY/NUKE ATROCITY - DENG 2

AAAAAAAAAAA!!! DOL not the second does of these duck gridders, 15 circuits of intense audio-larvating splattemoiso with the most extreme pitch-shilliewords you have ever heard, 14 songs professional recorded on 16 tracks, so often this shilligig of ear-slaughing grindnoise and you all get the bloodiest easason you ever had!!!!

Demo FL.10,-/10,- DM/200,- HFR/\$5,- Send only cash (all bidders, no co-ops)
All prices are paidup world wide. Bidders get in touch for demo trades.
Also LAST DRIES OF HUMANITY T-shirts (black IL with backprint) FL.25,-/15,- DM/500,- HFR/\$12,- (post/parc)

IDEA CAME UP?

HANS-I wanted to use a harmonize from the beginning. But at that time I had no money to buy one but now I have. I think that harmonized vocals are the most brutal vocals that you can get.

6) DO YOU HAVE ANY NEW MATERIALS?
HOW'S LIKE THE NEW ONES? SAME
WAYS LIKE A OLD DEMOS?

HANS-We now got 4 new songs ready which are more in the death/grind vein. So they aren't in their old vein anymore.

7) DID YOU HAVE ANY INFLUENCES FROM ANOTHER GENRE LIKE INDUSTRIAL OR SOMETHING?
HANS-No, I don't think so.

11) ANYWAY WHAT ARE YOUR FAVE NOISE/GRIND BANDS?

HANS-I got so many fave bands
but to give you a few GUT,
NECRONY, KRISIUM, REGURGITATE,
RETALIATION, GORE BEYOND
NECROPSY, FEAR OF GOD, DEAD CAN
DANCE, CARCASS, old NAPALM DEATH,
AGATHOCLES + lots of more.

9) COULD YOU TELL ME NEAR FUTURE PLANS AND RELEASES?

HANS-We will record a 7"EP on my own label and try to do as many gigs as possible.

10) FINAL WORD FROM LAST DAYS OF
HUMANITY. PLEASE?

HANS-Thanks Tomoaki for the interview + support. Everybody who is interested in L.D.O. is just write me. (NO IRC NEEDED!)

Thanks for the answers. Hans! Recently I've got their three reh. songs of their brand-new materials. They are more close to grind music, i.e. from noise core. The songs are much longer than their previous songs. Now songs have good structure and of course most brutal and insane harmonized vocals! The material is will be out on 7"EP, I guess. But Hans, you need more heavy bottomed strings sounds behind the vocals. Then you can get the perfect grind/noise, ok? Anyway I'm really expecting from your band! So keep up good work and stay more like the corr! Fe-Yah!

GORUGOTH IS only black metal band in this issue. I was shocked after listening 'FIEND' demo 'cause it's really great black metal demo I've heard in a couple months. And, he, yes GORUGOTH is one man project, got tons of talented mind to create crazy seismic sound. So, here's eviless talk with Kouzaburou Kojima, the hyper blasphemous mad screaming! He kill the hokey!

1) WELL, WHAT BAND DID YOU LISTEN RECENTLY? AND WHICH ARE YOUR FAVE 5 ALBUM?

— I listen often OHURA-MAZDO, IMMORTAL, MARUDUK etc. My love stools are O-MAZDO 'THE INCARNATION OF SATANAS', IMMORTAL 'PURE HOLOCAUST' + 'DIABOLICAL FULL MOON MYSTICISM', MORTUARY DRAPE 'INTO THE DRAPE'.

2) I HEARD THAT YOU USED TO BE A DEATH METAL, BUT NOW YOU ARE INTO BLACK METAL. THAT SOMETHING HAPPENED AT THAT TIME. THAT'S THE REASON WHY YOU JOINED THE EVIL CIRCLE? TELL ME ABOUT IT?

— I watched the live of OHURA-MAZDO last year. I was tired 'darkless' death metal at that time. But they have got everything that I want to. And express it on the live show. It leads me to the new world by their power that withdraw my mounting ability inside of me.

3) GORUGOTH IS JUST ONE MAN BAND. IF THERE'S PERSON WHO HAS GOOD TALENT, DO YOU WANT PERMANENT MEMBERS? AND DO YOU WANT TO PLAY CIGS?

— I don't need no members or play any gigs. 'Cause 'GORUGOTH' is insanity which existing inside of me, and anyone has any guts who can't express the feelings I'm doing so, never do it on GORUGOTH. I take another band.

4) THE 'FIEND' DEMO HAS HIGH QUALITY STRUCTURES. MOSTLY VOCAL PARTS ARE INCREDIBLE. WHERE'S THE IDEA CAME UP?

— I don't know where they

came up. But 'GORUGOTH' is the subconsciousness inside of me and I can't handle it even me. Simply say when it came out, I lose control of myself!

5) VENOM IS ONE OF THE ROOT OF ALL BLACK METAL BANDS. BATHORY ALSO. HOW ABOUT THEM? DID YOU GET ANY INFLUENCES FROM THEM?

— They are godiy! I like their 'BLACK METAL', 'POSSESSED' album especially. There's a small influence to GORUGOTH. But myself, 'Kojima' got a huge influence. (Yeah, I love VENOM, they still giving me the power of darkness, godiy! — ED)

6) THE MEMBER OF BLACK METAL BANDS IN NORWAY, THEY BURNED DOWN THE CHURCHES OR KILL SOMEONE. DO YOU THINK THAT IS THERE ANY RELATIONSHIP WITH 'BLACK MAGIC'? TELL ME YOUR OPINION.

— I don't know exactly what happened. I think big power called 'black magic' is running on it. Also there's invisible power which exist all of the space we live on. They called 'god', 'satan', and that effect called 'miracle' or 'mysticism'. We called it 'black magic' and we've got the power. I believe in 'black magic'.

7) YOU'VE JUST ENTERED 'APPOINTMENT WITH FEAR VOL. 3' COMP. CD. IF THE OTHER BIG LABEL SHOWING INTERESTS TO GORUGOTH, WHICH LABEL WOULD YOU CHOOSE?

— OSMOSE prod., MORIBUND records., EVIL OMEN rec., PAGON rec. showed interests, but nothing to release from them so far.

8) DO YOU HAVE ANY RECORDING PLANS? HOW MANY SONGS DO YOU HAVE NOW?

— I've no plans. And I have total 20 songs including old style and 5 new songs.

9) LET ME KNOW ABOUT YOUR NOISE PROJECT 'GOLGOOTH'?

— GOLGOOTH's origin is noise. Noise is the universe which contains planet 'black metal', 'death metal' etc. When I feel structured power, I'll make black metal. When I feel power directly, I'll make noise. I have varied noise projects called 'SITAOKIBA', 'SHURA', 'CHAINSAT' etc which can feel some insanity if you interested it.

10) WHAT DO YOU FEEL ABOUT JAPANESE BLACK METAL BANDS? ARE THEY GOT SERIOUSLY ABOUT 'SATANISM'?

— I know the bands like O-MAZDO, ABIGAIL, SIGH, SABBAT in Japan. O-MAZDO is a really great band and like I've said before they have everything what I want. My satan! I don't know much others. And I like SABBAT's satanic sound. I said before, there's a big power around us, and it makes us something to do. I think the something which are misunderstanding is 'Occultism' or 'Satanism'.

11) FINAL WORD PLEASE?
— Thanks a lot!!!!!!

Thanks for the dark and cold answers, Kouzaburou. So, if you really into black metal, check this great band. See the demo review section what I'm thinking about the demo 'FIEND'. And be also doing several projects which are all great! I've been impress his great works. If you interested them ask him. Well, 'FIEND' demo is \$2 + 2IRC/world, ¥200 + ¥190 stamp/Japan.

VIVISECTION

GRIND TILL TA BLEED, these grind maniacs provide extreme TRUE grind core music! There's NO death metal or industrial influences. VIVISECTION is a quite young band that they formed in May '93, and 1st demo was out in Dec. '93. (It's still available T300/Japan or 3IRC/overseas) But they have huge talents to create just intensively grind. And now, they got some offer to recordings 7"EPs. Here's an interesting talk with YUSUKE ADACHI, TSUTOMU HIRAMATSU, SOUICHI TSUZURANUKI and TOMONORI NAKAZAWA. So let's GRIND!!

1) HI, THANKS FOR YOUR ADT. TAPP. IT'S FUCKIN' GRIND!! WHERE THE MATERIALS WOULD BE RELEASING OUT? AND WHAT FORMAT?
YUSUKE—First of all, we're really glad to hear that you enjoyed our new songs. Thank! Promoting with our 1st demo, we've got deals with M.W.I. rec. and ECOCENTRIC rec. (both are GERMANY labels). Unexpectedly, both labels wanted to release a double split EP. So we'll have two double split EP's. Both EP are supposed to be released in Sep./Oct. '94. Please wait! By the way, we've got another deal with SIAP A HAW rec. So we'll record our new songs for a 7"EP.

2) NEW SONGS COMPARED WITH YOUR FIRST DEMO, IT'S MUCH MORE HARDER AND FASTER. DID ANY INFLUENCES CHANGE?

YUSUKE—I think the difference between 1st demo and new material is the guitar sound. When we recorded the 1st demo, we were not satisfied with the guitar sound. So we put emphasis on it this time. Our musical influences were early extreme music bands like NAPALM DEATH, TERRORIZER, UNSEEN TERROR, HERESY, SIEGE, S.O.B., DISCHARGE etc. Personally, I was influenced by KATV of HERESY.

3) TELL ME ABOUT YOUR CHILDHOOD, WHAT KIND OF MUSIC DID YOU FIRST LISTEN AT THAT TIME? AND WHY DID YOU ENTER THE WORLD OF GRIND MUSIC?

YUSUKE—I didn't listen to any kind of music. But when I was 15, I listened to POSSESSED. It was the beginning.

TOMONORI—Ordinary Japanese pop songs.

TSUTOMU—My first music was 'SWING OUT SISTERS'. They lead me to the world of music.

4) HOW DO YOU FEEL ABOUT CURRENT GRIND SCENE? TELL ME YOUR HONEST VIEW! DO YOU THINK THAT WHICH BANDS ARE THE TRUE GRIND?

YUSUKE—It is a very hard question. There're many good bands in Japan. But when we have a gig, only 30-50 people come to the gig. 'Grind scene' itself is small, I think. So we have to make it big. True grind core bands are BRUTAL TRUTH, CORE BEYOND NECROPSY, S.O.B., VERMIN, ANAL CUNT, BRUJERIA, UNBIASED...

5) HATE YOU HEARD NAPALM 'GOD OF GRIND' DEATH'S NEW ALBUM? WHAT DO YOU THINK ABOUT IT? I THINK IT'S BETTER THAN 'UTOPIA BANISHED' LP.

YUSUKE—I love their new album

very much. Their songs are still heavy and unordinary. I like 'UTOPIA BANISHED' too.

TSUTOMU—They are not 'grind core' band now.

6) MOST OF THE GRIND/HARDCORE BANDS DEALING WITH POLITICAL SUBJECTS FOR THE LYRICS. IS IT NECESSITY FOR GRIND BANDS?

YUSUKE—It is strange if grind core bands sing about love? Lyrics are not important for me, when I listen to music. But there's a lot of things we have to make a complaint. For example, Japanese politicians are fuckin' shit! They must die. SOUICHI—I have no particular lyrics. I just show my bare feelings about many things.

7) TELL ME ABOUT YOUR ANOTHER PROJECT 'TERRIBLE HEADACHE'? THEIR BOTH DEMOS ARE FULL OF ORIGINALITIES THAT MIXED UP WITH SOME DIFFERENT ELEMENTS SUCH AS TECHNICAL, PSYCHEDELIC, HARDROCK AND HARDCORE. BUT DID YOU STOP THIS GREAT PROJECT?

YUSUKE—Thank you very much, Tououkii! TERRIBLE HEADACHE was formed in 91 and released two demos, in 93. I thought T.H. was a serious band, but other members not. That's why I

TSUZURANUKI (To), ADACHI (Ba), NAKAZAWA (Gu), HIRAMATSU (Dr)

stopped T.H. I like the songs of T.H. very much. So I still want to play in T.H. But I don't have the time to do it. Both demos are still available, so If anybody want to listen to the demos, send me Y190 stamp or 3 IRC's.

problems.

8) HOW MANY GIGS DID YOU HAVE TILL NOW? AND HOW'S THAT LIKE?

YUSKE-TILL now, we had 10 gigs. Usually we play 15-17 songs and for about 30 minutes. We often play cover songs of early NAPALM DEATH, TERRORIZER, HERESY etc. Just for fun. We have 1 or 2 gigs in a month. We want the audience to become violent. Dives, noshers are welcome. We do our bests on stage.

9) JAPAN IS A QUITE PEACE COUNTRY
IN THE "TWISTED" WORLD. BUT, IF
NAZISM GOT START TERRORIZE US,
HOW WOULD YOU DO?

YUSUKE-II's beyond my imagination. But I think we must always be aware of such

10) SOME JAPANESE PEOPLE WERE
KILLED IN SOME COUNTIES. IT'S
NOT JUST A RACISM BUT IN FACT
THERE IS A SORT OF RACISM. HOW
ABOUT IT?

YUSUKE—Racism exists all over the world. But racism produces hostility, and it means nothing. I hate any kind of racism but we can't wipe out racism completely. In the first place, we have to try to see people without prejudice.

11) BACK TO THE MUSIC, WHAT'S THE
PROCESS OF MAKING YOUR SONGS?
YUSUKE—All members except

Souichi will sing songs. Tomorrow he always bring a tape to studio. We listen to that tape and arrange his songs. Sometimes we will upon an idea in the studio. But not often.

12) DO YOU THINK THAT KINISECTION
IS TRUE GRIND BAND?
YUSUKE - Tes! We formed this band

just to play 'grind core'. We want to be called a true grind core band.

13) THANKS FOR YOUR ANSWERS. KEEP UP FUCKIN' GRIND!! FINAL WORD PLEASE?

YUSUKE—Thanks for the interview. Keep your great work, Tomoaki. Stay brilliant!!!!

Well, how do you feel about this interview? Did you have any interest in this great grinding band? If so, get their demo song as possible as you can. Or they will be out some EPs in a little while, at least winter time in this year, just wait. And their live performance is great. Especially string sections has a good intensity and plays totally grindt. The rhythm parts are also fuckin' grind as hell! Watch their show! Anyway write just now.

GENITAL ORGANS

Weird grind band, GENITAL ORGANS, from here in Japan. Their first demo was a grind core with touch of lunny/stupid feelings. But, I've got their reb. tape including some new songs. It seemed to me the new materials is no longer average grind music. I can heard that they're improvised like 70s psychedelic rock. I asked them about it and they answered strangely and weird as fuck! This short interview was answered by Iwana, Yamamoto and Ono, the wide ranged mind openers. You'll see what they so open mind as I said that you may listen their next demo or whatever in near future.

1) FIRST OF ALL, LET ME KNOW YOUR LINE-UP, WHO PLAT WHAT?
— Yamamoto—guitar,
Iwana—drums, Katayama—voice,
Maruyama—bass and
Ono—dancer (live only!)

2) WELL, THANKS FOR YOUR REB. TAPE! IT SEEKS TO ME THE TAPE INCLUDED SOME NEW SONGS. IT WAS CHANGING YOUR STYLE TO JUNK/NOISE... DECREASED GRIND PARTS, WHY DID YOU CHANGE THAT STYLE?

— God told us. Black metal is not healthy. Because we want to surpass POISON (Fuckin' glam fags in L.A.?) — ED) We thought so.

3) DO YOU PLAT IMPROVISED? I CAN HEARD SOME IMPROVISATION PARTS

ON THAT TAPE, IS IT INTENTIONALLY OR...?

— it started with BIG BANG! We return the cosmos. There produce that best thrilling black holly slipan ensemble. And earth is clashed high level improvisation. But we contact ceaselessly with U.F.O. (What? Ha, ha, ha. — ED) On these are fucking little lie. We can't play good.

4) HOW DO YOU EXPRESS YOUR STYLE TODAY? DO YOU THINK THAT GENITAL ORGANS IS STILL GRIND BAND?

— Comic soul grind disco night fever. Grind is spinning waist. (It means sex? — ED) We're L.A. metal now. (You kidding. You're so funny guys, ha, ha, ha — ED)

5) DO YOU HAVE ANY NEW RECORDING PLANS?

— September, warming up at Saturn studio in Jupiter. We think attack once jab that symphonic bossa nova opera together.

6) WELL, WHAT TYPE OF MUSIC DO YOU USUALLY LISTEN AND WHAT INFLUENCE DID YOU GET?

— Voice changer Katayama likes hip hop, the religion music. Maruyama likes lunny moon music. Iwana likes tap music (?). Yamamoto have not listening to music. Our favorite bands are JOHN CAGE, CAPTAIN BEEFHEART, WHITEHOUSE, SUN RA ARKESTRA...etc.

7) THANKS ALOT! FINAL WORD PLEASE?
— Keep a rockin'!

Well, well, well, did you get the messages from the outerspace, GENITAL ORGANS? I think you did. These funny guys should be out interesting music, soon. If you already heard their first demo, but don't expect same sound. 'Cause they changed the style to added hard core fuck and improvisation play. See, their laves are CAPTAIN BEEFHEART and WHITEHOUSE...etc now. Besides you'd better memorize GENITAL ORGANS is not so usual grind band. DEATHRUNE

Well if you really like brutal, deeper and heavy stuff, or you would have more extreme pleasure if you had needed IMMOLATION, MORTICIAN and INCANTATION stuff. Then you choose DEATHRUNE stuff right now. They hailing from New York, that's the area who came to us, IMMOLATION and MORTICIAN, etc. They're same vein as such bands brutal, heavy and intense! And I was really interested that a producer who helped them a lot is Roger Beaujard of MORTICIAN! 'Cause MORTICIAN is also my fave band. So I asked some questions about the band to Mike Saes, lead guitar player of DEATHRUNE. Here's a hottest talk with brightest hope of TRUE death metal band, DEATHRUNE's spokesman Mike. Don't forget read their review! Then you may order their demo. Ha Ha...

1) TELL ME THE MEANING OF DEATHRUNE?

— Well runes were the ancient written language of pre-Christian Scandinavia. They later were outlawed by the Christian religion because they felt the runes were associated with the darker, evil religions. A 'Deathrune' is supposed to be a real morbid kinda curse you could say.

2) DESCRIBE YOUR MUSIC STYLE?

— Well it's definitely brutal. I think if you look GORGUTS, BENEDICTION and IMMOLATION and then mixed them up in a hat you would have our style.

3) WHAT INFLUENCES DO YOU HAVE?

— I'm really into shit like MALEVOLENT CREATION, IMMOLATION, DEICIDE, CANNIBAL CORPSE, MORTICIAN and SINISTER. I also dig SEPULTURA, old SLAYER and the good old thrash stuff.

4) WHAT'S YOUR RELATIONSHIP WITH ROGER OF MORTICIAN? WHAT WAS HE LIKE AS A PRODUCER?

— ROGER is my boy. He's real cool. He's always bringing me to his house to listen to his latest stuff he's written, or to watch him play his computer games. He was a real good producer. Since he's into the

band he had an idea of the kind of sound we wanted. He gave his little hints and ideas on certain things we did. I feel his production was top notch!

5) WHICH BANDS HAVE YOU PLAYED WITH?

— As far as national acts we have opened for bands like UNLEASHED, BROKEN HOPE, INCANTATION, DEMENTED TED and some more. The end of the month (July) we are playing with MORBID ANGEL & CROWBAR!

6) HOW MANY 'MEMORIES OF THE EXHUMED' DEMOS HAVE YOU SOLD?

— Well we made up about a

thousand and it's almost time to order more. I don't know the exact number but as of lately it's really picked up!

7) WHAT DO YOU THINK OF THE SCENE NOW? IS THE SCENE ACTIVE NOW?

— It's not too good. You have big bands around like MORTICIAN, DEMONITION, HAMMER and IMMOLATION. Unless you are DEICIDE no one will support you here. As far as people coming out to shows, it's sad. Every show is just our girlfriends, IMMOLATION and MORTICIAN, a few friends, and the local drunks! There's one good grind band called MALIGNANCY. They usually play with us. That's it for demo bands though.

8) WHAT TOPICS DO YOUR LYRICS DEAL WITH?

— Well Chris usually handles the lyrics. No 'Salan this', 'Salan fucked my mom' bullshit. I think books and old myths inspire him.

9) DID YOU WRITE ANY OTHER SONGS AFTER THE DEMO? HOW ARE THEY COMING?

— Yes. We have quite a bit of new songs. Like 5 or 6. Some titles are 'CHOOSERS OF THE SLAIN', 'SHADOWS OF THE HEADSMAN' and 'UNDEAD DAYS'. They are heavier in terms of speed, but still have lots of catchy riffs.

10) TELL ME YOUR FUTURE PLANS AND RELEASES IF YOU HAVE ANY?

— Right now we're just promoting the demo. In September we have a seven inch with us, ALIVE, MALIGNANCY and MORTICIAN. Some real cool bands. Hopefully around October we will record again!

11) FINAL WORD PLEASE?

— Thanks a lot for the interview Tomcat. Good luck with your site. Everyone who wants a demo the price is \$4/U.S. and \$5/everywhere else!

Send it to:

Horror Gore flix Review

BRAIN DEAD '92 Directed by PETER JACKSON

Wow! This is a total gore/zombie film I've ever seen in a couple months. If you want to see total gore flick, then get this shit quickly as possible. I'm not, never ever watch this bloody massacre flick. Peter Jackson's latest flick, 'BAD TASTE' was also intense hand made gore movie. This time his incredibly imagination was grow and grow up and bit money added for better fx. However still B-grade effects, but more and more blood cover the scene. If you want blood, then you'd better get this shi!!! I don't tell whole story on this review 'cause you should have to watch it for yourself! Excellent as hell!!! And definitely makes you puke!!

TWO EVIL EYES '90

Directed by G.A. ROMERO & D. ARGENT

G.A. ROMERO and DARIO ARGENT challenged EDGAR A. POE's short story: 'THE FACTS IN THE CASE OF MR. VALDEMAR' /ROMEO, 'THE BLACK CAT' /ARGENT. ROMERO still took zombie story, ARGENT took famous cat's a revenge story. Both directors were well known as ultimate horror creator, so you can enjoy 2 times better than other one horror movie. These are both classic story but they arranged for present age. Mostly ARGENT's version is too horrible. If you like cat, don't abuse them ever. This is just a movie but remaining a few facts on it. I forgot one thing, special effects done by TOM SAVINI (ZOMBIE TRILOGY), he's always good as well!

BABY BLOOD '90 Directed by ALAIN ROBAC

This French bloody red film shot through my heart so much! I don't know how good the French horror/gore scene exactly. I know, there's some talented directors. Anyway this film is about a possessed girl who wants human blood and seeking and hunting them. That's for pregnant baby who

needs human blood and command her to taste it. She finally have a baby monster which is really grotesque and start to strike human. Whole scenes are cover with bloody red and really great flick from France. I really love this flick.

ALL NIGHT LONG '92 Directed by KATSUYA NAKAMURA

This is Jap's violent shock x-rated flick. The scene including such as lynch mob, cut a girl's Achilles tendon and then rape her, sado-maso murder, stab with a knife again and again... 3 boys had watched the scene of psycho murder. Then their mind were invaded murder and again they watched rape scene. They had get nuts and start killings. Low budget and cheap effects but really insane. Not my love but worth checking out.

NIGHT OF THE LIVING DEAD 1990 VERSION

Directed by TOM SAVINI

20 years ago, ultimate classic zombie film was shot by G.A. ROMERO. His friend Tom Savini took a chance to create new '90 VERSION 'NIGHT OF THE LIVING DEAD'. Also executive producer is G.A. ROMERO. This time full color print and effects are realistic as well. Story is the almost same as the classic one, except the ending scene. You know the story is, I won't tell you, tell, what do you think about this flick? Let me know your opinions. I was really enjoy it!

THE RESURRECTED '91 Directed by DAN O'BANNON

This film made by my love script-writer, DAN O'BANNON. (ALIEN, RETURN OF THE LIVING DEAD, TATAL RECALL) He also did director on this flick and his work was really good. Original story was written by H.P. LOVECRAFT's 'THE CASE OF CHARLES DEXTER WARD' which is his best story I ever read! You know, the relationship between death metal and LOVECRAFT, some bands took his story for lyrics. One man resurrected the dead to be living from their glory days. And he wants immortal life by the Necronomicon, bul... You should watch this great flick. Besides, six was pretty good which by Todd Haynes.

THE PIT AND THE PENDULUM '91

Directed by STUART GORDON

Director of famous 'FROM BEYOND' and 'RE-ANIMATOR' shot new gothic horror story written by Edgar Allan Poe. It's not too much blood but there's interesting torture scene. This flick is one on his best work, I think. No low budget, no cheap stuff. In the middle age Europe, the victim, a girl was loved by fallen bishop who locked her up and torture her again and again. 'Cause he thought she was possessed by the evil. This age, only religion was believed by the people. Blasphemies were punished by bishop who cut by the horrible pendulum slowly but surely. Her husband wants to help her... But be trapped and let to the pendulum!

GATES OF HELL '80 Directed by LUCIO FULCI

Italian gore master Fulci's old film 'GATES OF HELL' has been shocked to us till now. N.Y., a prophet saw the city of the living dead in her vision. If the gates of hell was open the evil dead will be release from hell. She and newspaper reporter went to the city of the dead, Dunwich. And they're going to stop the resurrection of the dead. Swarming the maggots, drilled for the brain, regurgitation of the guts (RGF took a intro from this film, anyway) and rotted stench zombies... Most terrifying gore film you've ever seen!! A must!!

BODY BAGS '93

Directed by JOHN CARPENTER & TOBE HOOPER

Most famous horror directors gathers as one! J. Carpenter, T. Hooper, Sam Raimi, Wes Craven and Roger Corman are acted in this 3 various horror stories. 'THE GAS STATION' and 'HAIR' directed by J. Carpenter, 'EVE' directed by T. Hooper, which are all enjoyable short horrible nightmare you ever dreamed! Both directors are my faves and I always liked to watch their flick. Six was really well done and disgusting bloody make-up feels so tasty!

FRANKENHOOKER '90

Directed by FRANK HENENLOTTER

Director of 'BASKETCASE', Henenlotter's latest flick. Elisabeth, a medical student's girl friend was lawnmower death! Franken who is a mad-scientist, tried to resurrect her... But lack of human body parts. So what did he do? He bought some hookers (That's why 'FRANKENHOOKER') and finally he got some parts (How? he, he.) to put on girlfriend's dead head. Well this gore-comedy is a Henenlotter's 'BRIDE OF FRANKENSTEIN'. And there's extreme many grotesque creatures, so in the US, this flick was x-rated. But who knows. If you're big fan of 'BASKETCASE', look this one. Yeah, same vein as creature movie like he did before.

DR. CIGGLES '93 Directed by MANNY COTO

A new horror hero, Dr. Ciggles was born! He butchered like Jason, the 13th with medical appliances. And sneaking to the houses, hospitals, then suddenly he would stand behind you, the operation knife in his hand! He, the psychopath runaway from mental hospital and he is convinced that he is a doctor then starts diagnoses (Murder) his patients! No one can't stop him. The scene including several (or more) killings in his special ways. If your doctor acting like him, how would you face him? Yes, there's no way you can't escape from him and his operation! He slowly speaks to you with shining blade, 'Hey, it's time to diagnosis, baby'.

S.W.V. presents: Johoy Legend's UNTAMED VIDEO

Here's two special compilation edition videos for ya. These two videos fillings with many many cinema previews, highlights and commercials. The videos hosted by weird master, JOHNY LEGEND.

First, 'BIKERS BLONDES & BLOOD', you know bikers brings you to violence, blondes tempt your desire and blood makes you to death! Most of you know the titles such as 'BUCKET OF BLOOD', 'I DRINK YOUR BLOOD(GUT taken this flick

for Intro)', 'BLACURA', 'MOTORCYCLE GANG', and lovely blodes on flicks. First you'd get violence, then sex and finally you'll get full of bloody tortures. (Violence + sex + blood = This is what you want!) You got it? You ever experienced this 3 way sado-masochistic orgasm!

Also 'TEENAGE U.F.O. ROCK AND ROLL MONSTER SHOW', what a title! What can you imagine that from this title? Well, this video also fillings with some bloody cinema previews, and '50s '60s classic R'n'R movies highlights/previews featuring from Bill Haley & the Comets to Medicine Ball Caravan. Especially here's including some monster flick (B-grade) what you need! This video mixed up with musics, horrors and rockabilly! You'll experience most strange and weird 2 hours of pleasure!

THE AWFUL DR. ORLOF '62 Directed by JESUS FRANCO

The creator of 'BASKET CASE' and 'FRANKENHOOKER', the pioneer of cult movie, Frank Henenlotter selected all first time on videos 'Sexy Shockers' series. This flick is one of them. Here's some of his words, 'The first great horror film from my favorite director, Jesus Franco Manera. An obsessed surgeon trying to restore his daughter's fire-scared face by abducting buxom young women and performing skin graft operations on them. Assisting him is his sadistic slave Morpho, a 'sightless Idol' (in creepy bug-eyed makeup), who occasionally BITES his victims(!), and keeps 'em chained up afterwards. Dark, brooding, and pervasively poetic, it also displays most of the lechishes that propel Franco's later, more explicit works. Highly recommended. By Frank Henenlotter' What would I say?

I DRINK YOUR BLOOD '71 Directed by DAVID BURSTON

In the small town, hippie devil-cultists have arrived to searching something to eat. They attacked an old man and his son revenging by injecting rabid-dog blood into the meal-pies for their breakfast. Then they ate the old and kill each other. This is the start of cannibalism and killings. The disease was infecting to the other peoples in the small town... This, most disgusting guts ripping horror would be your gore flick collection! I think you already heard that GUT took preview of this gore flick for the intro on first '7EP'. Besides, you know, Robert of MEAT SUITS, also recommended you to watch this flick. A classic intense gore movie.

We gratefully thanks for Mr. Hayashi of SOMETHING WEIRD VIDEO Japan, and all at S.W.V. Inc. (USA). 'BIKERS BLONDES & BLOOD', 'TEENAGE U.F.O. ROCK AND ROLL MONSTER SHOW', 'THE AWFUL DR. Undoubtedly, AVULSED brings us most brutal and highest form of heavy death metal. The title song 'CARNIVORACITY' is 8 1/2 minutes long brutality and has three parts. The song structure is awesome, including doomy slow parts with keyboard! Also 'CRADLE OF BONES', make sure kill mel Lowest brutalizing vocals which are take me to the graveyard and buried. And last one, a cover song of Chillian PENTAGRAM's 'DEMONIAC POSSESSION' ('86), the old classic deathrash shot straight through my heart. adv. tracks for split 7" ep

Only three songs but they can make me dead a lot! The incredible weird grind I've ever heard! How can you imagine that if grind meets heavy metal, hard rock and animation(!), and of course full of talented musicianship? The answer is here, you can find yourself. Low growls with harmonized aye-ing voice on the high speeded grind rhythms. I can't compare with any good grind bands, what can I say more? Songs were titled like 'BARA BARE MAN', 'I'M SORRY I WAS BORN' and 'BORIC ACID DUMPLING', what do you know the meanst Well, I only can say that

this is most original still you've ever experienced. But I'm not sure when it's out, ask MORBID rec. for more info. Also I heard their adv. songs. That's really cool, too. They must be out on comp. CD or split EP someday. Watch out and ready to explode of your dick! Read their interview for more details.

MEAT SHITS 'MINDFUCK DELIRIUM' CD

Brand-new MEAT SHITS recording comes out with splatter cover art by Stevo (INSOMNIA/IMPETIGO). 18 most shitting songs on it. Sounds are more heavier than latest stuffs, and here's a few titles are 'THE FAMILY TREE OF CUNTS', 'USE YOUR PUSSY', 'THE CORPSE IS MINE'... Their songs are always gets my anus to fuck (not faggot!) and I want to cum! M.S. gonna be much stronger than ever! Truly, it's a fuckin' killer EP!! Available at M.SHITS and BLURRED records

GUT 'HYPER-INTESTINAL**VLVY DESECRATION' cp**

Their 2nd 7" EP release, it's fuckin' cool EP I've ever heard! Extreme raw and low tuned porn grind with intro from gorg lilm. The combination can make you absolutely dead! Sometimes that intro feel too long but it doesn't matter, enjoyable. The songs are fuckin' filthyll Also their titles are long and breakin' sick as hell. Musics are fast, heavy and yes, grind! Their 1st EP was already sold out now, so if you want 'sick' one, get this masterpiece! Highly recommended! From:

MANGLED TORSOS 'ANATOMIA**REFORMATA' cp**

The debut of German sick/more grind. Before you pull the needle I was really expecting to hear sound. But then I got the sound which is heavy, dark and distorted. Vocals are harmonized extreme low voice which are terrific. Guitars are sometimes showing melody but still heavy. Here and there blast parts, but whole things are not fast. Basically old-paced rhythms. A bit similar to German porn grind king GUT, but don't take seriously just my opinion. Not exactly the same. But this EP is limited to 300 copies, so already sold out now. They've just out full length CD.

MY DYING BRIDE 'UNRELEASED**BITTERNESS' flexi**

The gothic master, MY DYING BRIDE's early days rehearsal session. It was recorded 27/4/91. This flexi contains only one song 'THE BITTERNESS AND THE BEREAVEMENT', which is really bad sound quality (of course it's a rehearsal version) but doesn't matter, too rare. I really like their dark world, don't miss it. UNBRIDLED VOTAGE rec. 86 RANSOM ROAD/HEATHROW, DONCASTER/S-YORKSHIRE/DN4 0BN, UK

NOCTURNUS 'POSSESS THE PRIEST' cp

Unfortunately this is their last material but come out good. Dan's vocals are better than latest album. Mike Browning left the band but it doesn't matter who on drums. High quality structure with technical elements are mixed up good. 'POSSESS THE PRIEST' is basic NOCTURNUS-ish song 'MUMIFIED', the other side song which make me tears that's why their melodious harmony. It's too sad they broke up. But their name must be remaining all our minds. Better to listen this master piece. MORIBUND records

REGURGITATE/PSYCHOTIC NOISE**split cp**

RGT's 2nd split ep, this time coupling with Spanish grinder, PSYCHOTIC NOISE. As you already know the sounds of RGT, I like 100 times more than their 1st EP

I think. Fuckin' filth as hell! They're grind/noise band but different from AWG, MEAT SHITS style. Otherwise guitars wakes not total chaos, there's rillings. Yet songs are short as such bands. PSYCHOTIC NOISE side they play more grind style such as AGATHOCLES vein. Singing like old LEE DORIAN's. They're good grind act. MEAT SHITS/CATATONIC EXISTENCE**split cp**

First tell you CEXISTENCE side. They have huge Industrial influenced song tempo' experiential sound which is unique style. Including one song on it, but you'll realize what sound they create just listen only one song. Very varied structure. No growls, no screaming. Spoken by Robert Desbrage. On M.SHTS side, as you know their sound is. These songs are same vein as 'ECSTASY OF DEATH' album. Some industrialized tunes are included. But still last and sexual devastation. Great songs with great intros. Get this nice EP from Robert and Guy (of C.E.) own label:

DISGRACE 'AUTUMN SABBATH' adv. cp

I've got this adv. from my friend in USA. But I don't know this materials would be out on EP format from which label. Maybe not. Anyway the sound, they changed style to '70's influenced heavy death rock from fuckin' cool old XYSMA vein grinding death style. I prefer old style. I miss their sell titled EP. Sound production is still bad. Songs are not bad, if I didn't take notice their band name. DISGRACE. But I still like DISGRACE I've never forget them.

**DEATH FROM ABOVE 'HAPPY DEATHDAY
/MENUSA' cp**

They called the style of DEATH FROM ABOVE that is ultra elaborate techno thrash/veal crossover. I can say that they're not so technical as band like DEATH, CYCIN and ATROCITY. Simply called power/thrash metal in old vein. If you looking for something thrashy, try to listen it. c/o K. LADOPOLOUS/11, NIKIS AVE. /GR-546 24 THESSALONIKI/GREECE

EXTREME SMOKE ep

The Slovenian grinder gets your balls off!! Simple but really aggressive grindcore. Songs are very varied. High speeded blasts, noisy riddling. Vocalist has great growls as Jan of AGX. Sometimes they showed us weird parts, so it's their original. They've had touch of noise/grind influences. This EP really hits my ear. It must be your collections. Get this great EP! Write to:

SOULGRIND 'SANTA SANGRE' ep

What do you think about if industrial mixed up with black metal? Answer is here, SOULGRIND shows us Industrial black metal (I). Actually, there's dark and horrific sound but not typical black metal sound. I can compare with... I don't know! They're too original! Not so fast, not singing like demon scream, and rhythms are really industrialized as well. Riffings are very complicated. I don't put them in the black metal category, most unique sound I've ever heard. From M.M.I. rec

DECORVAN 'ERONIES' ep

Melancholic doom rock from Finland. These four piece plays total original doom world with no growls. The songs are featuring sorrowful melody which sounds really depressive. The clear vocals and acoustic arrangement takes me to the cold lake in somewhere in Northern Europe. Music hits the white snow. 'COSMOS SILENCE' and 'ASTRAL MIRAGE OF PARADISE', both songs are same direction and a bit rough play. Sometimes they using female vocals. The aid of keyboard sounds which is calm the aggressions inside of me. Also they've just released their full length. Both coolest stuff from WITCHBURN records

AGATHOCLES/NYCTOPHOBIC split ep

LIVE IN MAINZER - GERMANY

LIVE IN MANNHEIM

Split master AGX's live material 2 songs, which are really raw. But it doesn't matter, live or studio recording. They are really raw as themselves! Great grinding live EP. On NYCTOPHOBIC side also live materials, too. Plays are tight and really aggressive. But I think they are not used to play live, just more relax. I want to hear their studio recordings. You should get their 'NEGIGENCED RESPECT' 6 songs EP, of course it's studio recording. Prom: M.M.I. records.

SYMPHONY OF GRIEF 'REGURGITATED CORPSES DROWNING IN SORROW' ep

Incredible pounding doom maniac from N.Y. They use drum machine on drum parts but you can't tell!! Really good rhythms as human player. Songs are slow, depressive and doomy sub as 1st CATHEDRAL, GODSEND and so on. Really dark sounds they play. I love this great doom EP and they kill well! They're really great doom/death band I've heard in a couple months!! Their lowest vocals reminds me of MORTICIAN. Besides, quite original songs they play. If you are into total slow down metal bands, so this EP is enjoyable. On green wax. A must!! Prom:

SENSELESS APOCALYPSE full 7" ep

I've just got this adv. tape recently. This is cool noise core!! SENSELESS APOCALYPSE shows us A.C. vein noise grind and more bard core-ish. These 21 all new songs are little bit different from their first demo's. I prefer this EP. Sometimes noise music is boring to me (my honest opinion, but I love noise music!), but they're not. As you see MEAT SHITS, are they boring? You know the answer is. I like this EP from just first listen. Sounds are really nice production. But just wait a little while, 'cause this EP should be out in October. Ask REGURGITATED SEMEN records for more info.

MEAT SHITS 'BOWEL ROT'
remixed double ep's

This is their early effort but this time it's all remixed version. It still has some noise and ragging. Now Röbel and Co. added more industrial elements to put their music. This is not, just chaotic noise core here. M.S. and AgC are pioneer of noise music 'cause you can hear what noise music is on this EP. If you want just noise, choose this shit! Including 134 total noise core tunes. This great noise EP for all old MEAT SHITS fan only! From:

13 'HOLLOW' ep

At first listen, I didn't know that they're all female members. What do you expect from female band? Well this one feels good. Vocals are low growls, too heavy sleazy song on it. Slow songs reminds me of a bit DEAD WORLD, WINTER or SABBAT. Rough recording production. If you need heavy stuff (not doomy), then buy one. From KICK!!CAI records, running by Kevin Sharp.

Ex-MUSICAL MASSACRE member's new death metal project. First off I can tell their riffs are a bit typical and boring, but songs are quite good. The 3rd EP from German porn grinder, GUT. This EP including 4 quite long songs such as 'WOMEN IN DECAY' and 'BIZARRE REALITY OF BEASTIALITY'. This materials are less of speed than their latest stuffs. The focus into heavy and bottom, I like their last tunes but it's okay. Heavy is also one of their essential. Not only slow tunes, yes there's fast one, of course. As I said before extreme low voices are still excellent as hell breaking loose. Sometimes he use high pitched screaming voice which is also great! GUT is absolutely fuckin' killer band! Besides, get ready for their upcoming release!!! This cool EP from:

CEREMONIUM 'NIGHTFALL IN HEAVEN' ep

The five piece New Yorker has ex-members of PUTRIFACT and FUNGUS, and plays brutal heavy death metal. Songs are combined doom parts and sometimes fast blast speed parts. Slow but really brutal death metal they play. They reminds me of godly INCANTATION and mighty IMMOLATION, but more slow and doomy. Song structures are quite good and lots of breaks. Yet typical but has really good talents. Both two songs are same directions, dark, heavy and brutal as hell. Sound productions are quite good. I like this shit! They have much hope in the future. DEAD 'SLAVES TO ABYSMAL PERVERSITY' ep

First, I was fuckin' bursl out when their songs hits my ear! That's crazy son of a bitch! DEAD, the German porn death grinder shows us fuckin' insane perversion. A low type vocals which are really great growling, awesome! They handing mid and fast drumming as well. Songs are a bit reminds me early CARCASS, BRUTAL TRUTH but more intense. Split CD with RGT is also makes us absolutely dead! Don't miss it. This cool EP from M.W.I. records.

AGATHOCLES/NASUM split ep

What a hell!! It's a fuckin' cool, man! You know, NASUM holding 2 members of NECRONY. But it doesn't matter. This is just a GRIND! Great 6 extreme grind songs on it. What can I say more? (Right? Wieskko) But make it short. Songs are early N. DEATH vein but really Swedish. (You know what I mean) And has great song structures, great growls and insane scream. All songs are featuring last blast beats! Yeah, that's good point. Hey, all the fuckin' GRIND maniacs, you should buy this one!! Plus one AGX's live track, 'PULVERISED' and a intro. This column is dedicated to true underground label's guys all over the world. I'm gonna feature one interview by one issue, if I had really interested. First one is Holland's LOWLAND records.

The logo for Lakeland Records is a stylized, hand-drawn font where the letters 'LAKELAND' are stacked above 'RECORDS'. The letters are white with black outlines, set against a dark, textured background.

Here's interesting interview with Hans Suits from LOWLAND records. This label had been released 5 EP's and one CD so far. I was interested that they're not too much well known bands. So I asked him about label history and some future plans. And now, I've got newest release here, full length of Swedish most sickish gore grinder, REGURGITATE. That's luckin' awesome!! I don't say any words about it except BUT IT ANYWAY let's start talking with Hans.

1) LOWLAND RECORDS IS A QUITE YOUNG LABEL, RICHT? WHEN AND HOW DID THE LABEL START? AND THAT WAS FIRST RELEASE?

— I started LOWLAND records in the end of 1992. My first release was a 7"EP of the Belgian "EXCESS OF CRUELTY". The band plays brutal death metal. Their EP was limited to 1000 copies and was sold out in a few months. My second release was a 7"EP of the Dutch "SACRAMENTAL SACHEM". S. SACHEM plays a kind of black metal and their EP was limited to 500 and was sold out within 2 months. After that I did a 7"EP of "SUBJECT", they are from Hungary and play death/grind. Also their EP was limited to 500 and is sold out. My 4th release was also a 7"EP. This time it was "DEAO END" from Holland. DEAD ENO plays doom/death but quite original. The band could choose from 4 "bigger" labels to record a full length CD. But then the band split up 'cause of personal problems. So they had 3 unreleased tracks, so I asked them if I could put them on EP and so it happened. The EP was limited to 1000 and is sold out. Then I did my first CD release. It was of the German "DYSENTERY". They play death

... metal in the vein of the old CARCASS. This CO isn't labelled and is still available. After that I did a split EP of 'BONECRUST' and 'PATHOLOGY'. Both bands play death/grind, this EP is limited to 500 and it's still available, but hurry up! (Actually it's sold out now — ED) Before I did LOWLAND records I had a little tape label called 'MERRIE TAPES', on that label I did 3 compilation tapes and 2 demo's - 'BASTARD' and the first 'LAST DAYS OF HUMANITY' demo, but in that line there were so many comp. tapes so I decided to stop with that and to start LOWLAND.

2) WHAT TYPE OF THE BAND WOULD YOU RELEASE FROM LOWLAND REC.? YOU SEEM LIKE MOSTLY NOISE/GRIND BANDS. AREN'T YOU?

— As you can see above I'm not only releasing noise/grind bands but also death metal bands.

3) DO YOU HAVE ANY INTERESTING
ABOUT REAL DEATH METAL BANDS? IF

TOU HAVE WHAT'S YOUR FAVORITE BAND?

4) DO YOU THINK THAT FANZINES CAN HELPING OUT THE SMALL LABELS LIKE YOU? COULD YOU TELL ME ABOUT BOTH SIDES, GOOD AND BAD?

about both sides, good and bad.
— Yes I think that faxlines are a great help for small labels 'cause this way the releases from small labels are getting more promolion. And advertising in big magazines is very expensive. But on the other hand there are also a lot of rip off basardists who say that they have a zine or mag and they don't have shill so that's the bad side.

5) SOME UNDERGROUND PEOPLES SAID BIG LABES LIKE EARACHE, NUCLEAR BLAST OR PEACEVILLE ARE THE SHIT MONEY MAKING POSERS. WHAT

DO YOU THINK ABOUT THE
Differences BETWEEN BIG LABEL
AND SMALL ONEs? JUST HEAR YOUR
OPINION.

—The labels that are now big were also small 5 years ago and in their begin pirated they put out some very extreme stuff like RARACHE did IMPALEO OEARHT CARCASS, MORGID ANGEL, TERRORIZER and lots more. In that time it wasn't a trend yet so if they wanted to make only money they would release other bands but they didn't. But then lots of people got interested in death and grind and they all bought records which were released by RARACHE, NUCLEAR BLAST and PEACEVILLE. So the people who bought those records make those labels big. Now you can see the same thing with the French "DSMOSÉ" label who has started to release lots of new black metal band like IMPALEO NAZARENE, MARDOCK, IMMORTAL and lots more is growing very fast. But I don't think that's wrong 'Cause he did it before it was a trend. And the bigger label is more can do for the bands.

6) YOU TOLD ME THAT LOWLAND REC.
SHALL BE RELEASE RECURGITATE'S
FULL LENGTH ALBUM SOON
RECURGITATE IS THE MOST
EXPECTING ACT IN THESE DAYS
NOISE/GRIND SCENE. I'LL ALSO, BUT
I HEARD THAT IS A SPLIT CD WITH
DEAD. IS THAT RIGHT? HOW WAS THIS
CONTRACT WITH RECURGITATE?

— Yes I do a full length CO of RECURCITATE It will be out in the second week of July 1994. I know RGT Iron belt still EP

TOMORROW NEVER KNEW

EXCESS OF CRUELTY

Lots of breaks with catchy and strong riffs are mixed up. Pretty good structure and nice vocals. They holding good talents to create full of brutally and intension. Worth check and intension. Worth check and intension. Worth check and intension. Great band.

SACRAMENTAL SACRISM

This band has very unique rhythms. Vocals are really interesting. Song structures are unique, too. Quite original stuff. I couldn't hear that this band is kinda black metal. Watch out for next materials.

SUBJECT

This brutal grinding death band holding 2 type vocal, hard core and aid growls. Songs are quite strong and has fast grind beats but a bit typically. Actually this band playing kinda deathrash.

DEAD END

Unfortunately, this band split up now. But music is very cool! Death metal meets touch of doom/gothic elements. Sometimes it reminds me PARADISE LOST. Really great band, it's so sad they broke up.

BOWEL CRUST (split)

BOWEL CRUST is a grind influenced death metal. They have good structure and lots of tempo changes. This split contains only one song "DOOMED", but it notice us how style they play. Quite original.

PATHOLOGY (split)

PATHOLOGY featuring incredible female vocal that is strong low growl singing. The song structures are pretty good and has brutal grinding death style. The lyrics is also really gore and pathological stuff.

DYSENTERY CD

This German trio play gore grind such as CARCASS. Especially vocal styles are really similar to Jeff Walker. Song structures are good and fast blasted. One of greatest CARCASS follower.

REGURGITATE CD

2nd full length release. This gore grinder plays fuckin' great songs! Contains all new recording 37 most sickest songs. Less of vocal effect, riffs are too tight. But songs are still short 1 or 2 mina.

with VAGINAL MASSAKRE and it totally blow me away. It was sooooo fucking brutal! I loved this band from the minute I heard them. So I asked them for a split CD with DYSENTERY but at that time they had some problems so they couldn't, so I put out a full length of DYSENTERY. But I still wanted to do something with RGT so I printed some T-shirts after that we stayed in contact and they recorded a split CD with DEAD (which will be re-released by POSERSLAUGHTER records from Germany). But Rikard wasn't that happy with their new songs so he asked me if I wanted to release something of them. I said yes but the songs had to be in the old vein, he agreed and the recorded 37 new tracks of fleshripping grind/noise. The CD will get a full color cover and some extreme pictures on it just watch out for it.

7) WHAT PLANS WOULD YOU RELEASE IN NEAR FUTURE?

— In the near future I'm going to work on a CD of SACRAMENTAL SACRISM. They are entering the studio in September and the CD will be out before the year is over. Also I'm going to do a EP of my own band LAST DAYS OF HUMANITY which will come out in October.

8) IS LOWLAND REC. WANTS TO DEAL WITH NEW AND YOUNG ULTIMATE GRIND/NOISE BANDS? SO, ANY WORDS FOR THOSE BANDS?

— Those bands have to be very brutal and I also put very much attention to the vocals. Those must be as putrid as possible.

REGURGITATE "EFFORTLESS REGURGITATION

OF BRIGHT RED BLOOD" cd

from:LOWLAND records

Wow! Fuckin' cool!!! This is amazing perfect gore grind album I've ever heard!! This masterpiece gonna definitely regurgitate all of your guish!! Really brutal raw and wall-of-sound recordings stuff which forgot me CARCASS's "EEK OF PUTREFACTION". All 37 new tracks of parulent gore splatter noisy grind, sickest release ever! I can't explain how good is, but I only can say just get it!! Get this coolest effort quick as possible as you can. Fuckin' highly recommended!! Buy it!!

FURBOWL "THE AUTUMN YEARS" cd

from:BLACK MARK

Their first sibum "THOSE SHREDDED DREAMS" was a great death metal album like ordinary Swedish sound but really original. I've been enjoying the album so far. "THE AUTUMN YEARS", they added new elements such as '70s rock, and sounds are close to grind rock band like a XYSMA and LUBRICANT. But they still have original sound style. Lots of good melodies and harmonies, vocals are not only growling. Still, they have brutality and play death metal vein but truly FURBOWL has individuality as well. The fuckin' killer album from Sweden.

CANNIBAL CORPSE "THE BLEEDING" cd

from:METAL BLADE

I know some underground people hates C.CORPSE. But why? Are they too much commercialized? People nothing to understand about C.CORPSE. They are one of best death metal act and play really great! Their 4th album "THE BLEEDING" sound is much better than latest stunts and riffings are more technical. Songs are higher form of average death metal but their lyrics are...you know what I'm saying. Just a gore! There's no lyrics sheet but some are "FUCKED WITH A KNIFE", "THE PICK-AXE MURDERS", "SHE WAS ASKING FOR IT". And producer, SCOTT BURNS was really good job! This is their best materials yet. Buy!

MY DYING BRIDE "TURN LOOSE THE SWANS" cd

from:PEACEVILLE

M.D.B. is my all time fave band, so I was really impressed when first listen of this album. 'Cause they still holding total original ideas. Less of low growls and put some acoustic arrangements,

Aaron using normal voice on this songs which feels toward fear of darkness. Most incredible voice. Their melancholic violin sounds tempt me a depression and down into the swamp. They no longer a low death metal band, absolutely GOTHIC! Nobdy can't touch their overflowed mind. Don't waste your time to listen other craps.

PUNGENT STENCH "CLUM BONDO BIZARRE" cd

from:NUCLEAR BLAST

Their 3rd full length album finally out! The most sickest cover art had been riveted to my eyes! Musically they changed style to more groovy, heavy and sick. When you first time listen to this album you can join the "CLUM BONDO BIZARRE"! They no longer using blast beats now. But it doesn't matter, this is fuckin' killer release of this year. This album focus into just a heavy, no speed of light song. Anyway, if you wanna get sick, choose it for your medicine.

NAPALM DEATH "FEAR, EMPTYNESS, DESPAIR" cd

from:EARACHE

Grind gods returns with their strong new effort! Honestly I didn't expect this fuckin' great songs 'cause I didn't enjoy the latest stuff "UTOPIA BANISHED", not so much. "F.E.D.", this time they play groovy which are influenced by some industrial stuff. Guitars are more chaotic and complicate than before. They absorbed many kinds of music before the recording, you know MEATHOOK SEED and BLOOD FROM THE SOUL, where they came out. So all answer is here in "F.E.D." album. Worth checking out.

XYSMA "FIRST AND MAGICAL" cd

from:COMEBACK

Here's grind rock master, XYSMA's long awaited new album. The band added a keyboardist who featuring every songs on this album. And vocalist using more normal low voice. Guitar sounds are not typical death/grind sound, really 'rock' sound. And incredible drumming is still alive. Songs are more closer to rock'n'roll (except one country-ish song) category. On this album I can compare with LENNY KRAVITZ, JIMI HENDRIX and THE DOORS like 70's sounds. Well, I'm really enjoying this CD, but I still love their "YEAH" album. If you think so, you'll love it, too. XYSMA is my all time fave. A masterpiece!

KATAKLYSM "THE MYSTICAL GATE OF REINCARNATION" ed
from: NUCLEAR BLAST

Canadian satanic grinder's first mini CD released. They've got crazy violent last grind sound. Really fast, from the beginning to the end. Also sound productions are really heavy as well. The chaotic guitars are sounding crazy chainsaw. They play last paced grind with satanic lyrics. First song is a trilogy, separated three parts which story is worth checking out. This band is not a black metal, they're satanic black beatled sounding grinder. A total smashing sound!

A-Fx. "EVERYONE SHOULD BE KILLED" ed

A noise core band finally dealied with big label. This is their best production yet. Sometimes I heard "A.C. got the deal with shitty label, so they hate A.C.", but I don't care who deal with what label!! I want only music and music is most important for us. Well, this album containing many songs. (Total 60 minutes what the luck!) You know, they play sometimes too slow and heavy, that's too cool! If whole songs would be all extreme last, then I'll felt boring. So this is a great noise album! E.S.B.K. presents you total chaos and devastation!

SENTENCED 'NORTH FROM HERE' *ed*

from:CENTURY MEDIA
Finnish four piece brutal death band's second album. They totally changed sound style! They no longer use low growlings on this CD. His singing like Jell Walker or Mirre Petrosa. I was very impressed when I heard it. Cause there's full of good (and brutal) melodies! Riffings and harmonies are all luckin' cool! They established own originality now. No same sound as "SHADOWS OF THE PAST", their first lp. That's a typical Swedish death sound but they are not now. Songs are still fast but really clear production reminds me kinda deathbrash metal. Don't expect same sound as their first album. This one is great than ever!

FETISH 69 "ANTIBODY" cd

Such a good name. They are! I like this name. Well, this band sound not death metal or grind, but I've got lots of impressions from this band, like crap, borling and treddy death/grind posers. Sounds are industrialized hard edge alternative core metal similar as FUDGE TUNNEL. And they have sick mind as well! As you see the "FETISH '69", it's so sick name. Their latest stufls are no so well production. This time they used Collin Richardson as a producer that the production is fuckin' heavy and illis their sound. Don't hesitate get this album for your collection. Worth checking out!

DI SEPARATEMENT: "TRANSCENDENCE INTO THE PERIPHERAL"

Here's most original doom/death band ever! Their style is very unique, grind, gothic, new wave, doom and atospheric sounds are mixed up. Ultra low growls, last blast beats with gothic riffs. All songs are very long and sssssllloooowww. Sometimes they used female voice and acoustic sound. Much full of talented ideas on this CD. Worth checking out! Besides, the mini CD DUSK, too. Highly recommended!

DEAD INFECTION "SURGICAL DISEMBOWELMENT" ed

From WORBL records
From Poland, pathological grinder's incredible
debut full length When the first riffs hit my ear
my brains are blow luckin' away Hey, where's my
brain? I searched my room Really great grind
album, this is. All 9 songs has no boring parts!

wall-o'-sound. It makes me totally crazy! Don't
think even a luckin' minute, just order now! I'll
never disappoint you.

DYSENTERY 'BRINGS ME NO TEARS' cd

The German gore grinder, DISSENTER's first full length CD here. This 3 piece band plays really pathological grind like early CARCASS. Vocals are two type and main vocalist is similar to Jeff Walker's. Low ones use harmonizer. Lots of tempo changes and breaks are good way. If you thinking CARCASS' "HEARTWORK" is sick, then get this CD for your ears. One of the best CARCASS follower. Let's get the sonic measures of genital pathology!

ENCHANTMENT "DANCE THE MARBLE NAKED" cd

England's new gothic aster. ENCHANTMENT. They've got the deal with CENTURY MEDIA, no demo release. This album recorded at Academy studio and produced by Harry, the Peaceville brand. Why don't you expect MY DYING BRIDE and ANATHEMA sound? Yeah, they're the same vein as above mentioned band. All the way through good easy melodic sound on this CD, and for all gothian,

HEALED NAZARENE "NGRA-KARVA" sd

IMPALED NAZARENE: DAWN-DARKEN CD
Iron:OSWOSIE productions
Fuckin' incredible release from OSWOSIE.COM. The god of cyber-punk-and-metal, IMPALED NAZARENE's second full length comes to us. Honestly I didn't enjoy their first full length so much, but this is so fuckin' illis my ear!! I love this shi!!! Fast grind rhythms and devilish screenings are must rape all of weakened souls. The music can be destroy the churches without any hammers and lites. Buy the fuckin' shit!

FLESHCRAFT: "IMPERITY" 80

Germany true death master finally out the long awaited second album! This time, they had great help of Dan Swan of EDGE OF SANITY as a producer. And including a cover song, DEMI GOD's 'REINCARNATION'. Dan also appeared on a vocals and keyboards at recordings. Also Rikkard of NECROTHY did some vocal parts. Sounds are really raw and brutal as hell. Yeah, this is most brutal album on this year. Songs are same vein as first album but more intense ever! I really like this shit. Fuckin' highly recommended!

MY DYING BRIDE 'I AM THE BLOODY EARTH' single ed

The title song is a luckin' impressed me at one listen. Such a great song, their best material yet. Slowly but surely leap into a world beyond darkness. Second song is sampling version from their old material. Last song is re-mixed version of "CROWN OF SYMPATHY", which sounds totally better than second one. All gothic maniacs should get this CD for your collections, a must!

SADNESS 'AMES DE MARRE' cd

from:WITCHBURN records
 These Switzerland's four piece bolding several kind of music such as death, gothic, doom, ambient, new wave and lots more depressive sounds. Their latest demo was kinda death metal sound but this CD songs are full of original tastes. Whole musics can through our mind so directly. This is kinda trip music. They're not gothic followers.

DEAD WORLD 'THE MACHINE' cd

from:NUCLEAR BLAST
 Slow but not doom, mechanized but not totally industrial. They can make very unique style. What do you expect? GODFLESH? PITCH SHIFTER? The answer is no! DEAD WORLD is a quite original as well. 'THE MACHINE' shows us suffocation mechanical heavy dead beatened industrial death. Songs are long but no boring parts from the beginning to the end. Heavy, pounding, and great album in these industrial category.

CARCASS 'HEARTWORK' cd

from:BARACIE
 The cruel king in Liverpool, CARCASS lost their heart and underground fans. This album is not death metal album, just a shilly melodic desbrash. They totally sell out their mind. I can't comment about this shit no more! But one thing, the single 'HEARTWORK EP' (including two unrelease tracks) is also fuckin' boring and they played them in Japan! That's a fuckin' nightmare! I don't know what they thinking! There are they go from now? Where's my CARCASS? They change their name', said Mark from IMPETIGO. I totally agree with him!

NECRONY 'NECRONYCISM'

DISTORTING THE ORIGINALS' mini-cd
 from:POSERSLAUCHTER records

Fuckin' enjoybale! This all cover songs are really nice to listen. Including the roots as CARCASS (early!!!), IMPETIGO, REPULSION, BOLT THROWER, NAPALM DEATH and CARNAGE which songs are really good choice. Sounda are raw as well as studio live. Well, just take your hand and listen for yourself. Also their closer friend, Dan Swanö helped alot for this recordings, this's good job. This is a fun project but you should get this shit!

PROMOTERS OF THE THIRD WORLD WAR comp.

'A TRIBUTE TO VENOM' cd
 from:PRIMITIVE ART records

You know, VENOM's influences are so huge for todays scene. Such as black/death/doom/HC/noise/whatever extreme music. Mostly death metal and black metal bands got really directly. Here's Swedish (almost) band's tribute album. But I don't know any Swedish punk/HC bands, some are shit, some are crap. Death metal bands (ALCHEMIST, PLEGMA, FURROW, AFFLICTED, THERION, DERANGED, DEAD and WORMPHUS) are cool and they choose good songs. Check it out.

ROT 'CRUEL FACE OF LIFE' cd

from:WORBID records

True, true grind core sound here! They play basic but great grind which are NAPALM DEATH and AGATHOCLES vein. There's no death metal influence, just grind as well. Fast, heavy and really raw! These Brazilian bastards are really cool! Don't spend your money for the shilly craps. This is

what you need! And also this CD including their latest two EP's songs. I love it!! Great grind CD!

BLOOD DUSTER 'FISTING THE DEAD' mini-cd

from:DR.JIM'S records

The first mini-CD from Aussie sick porn grinder, BLOOD DUSTER. Do you remember their 'NENTRUAL SOUP' demo' a sound? It's cool stuff but too similar to CARCASS. But now, they've got more established sound as closer to grind style as NAPALM DEATH and ASSOCK! And more shorter than before. Really good grind album I've heard in a couple months. And really expected debfull! Their lyrics are gonna definitely fuck you up! Get your own copy from DR.JIM'S records right now. (see flyer in another page) Highly recommended! Get sick!!

UTUMNO 'ACROSS THE HORIZON' mini-cd

from:CENOTAPH records

A new from Tossas sound in Sunlight studio. This Swedish four piece come out really good way. This mini-CD containing some new songs and re-recorded version of their latest EP songs 'SAVIOUR REBORN' and 'IN MISERY I DWELL' which are much better productions. Why those Swedish death new comer has so good quality and talents? Sweden is a best-country for death/grind music? I think this debut is better than DESULTORY, anyway.

LUBRICANT 'NOOKLEPTIA' mini-cd

from:WORBID records

All CARCASS followers has good talents to create their own originality today. See the BLOOD DUSTER, NECRONY, and the case of LUBRICANT, they play grind rock like XYSMA vein. Songs, lyrics and play are all well done. They're so talented band and so young. I really want to hear their full length album so soon. Great grind rock release!

INNER THOUGHT 'WORLDLY SEPARATION' cd

from:WITCHBURN records

It's hard to explain which album including some varled source. From the bio, they play kinda industrial music. But for me, I can hear the mixture sound such as thrash, death, gothic and yes, industrial music. Drum parts are remind me DEAD WORLD's mechanized rhythms. Guitars are technical as well. (long featured solo) Sometimes I can feel atmospherical elements. If you tired typical death metal then choose this total original stuff.

MANGLED TORSOS 'DRAWINGS OF THE DEAD' cd

from:WORBID records

German sick/gore grinding death, MANGLED TORSOS's full length here. Their musical directions are a bit similar to DEAD, GUT and such like sick bands. But most difference is that they use some keyboards on the slow parts. And has melodies. Songs and vocals are really great but riffings are a bit boring to me. Except that I really enjoyed the CD. Vocals are extreme low growls and harmonized vocals which are really sick. Well, this CD containing re-recording version of their latest EP's songs 'DISSEMBLE' and 'MALIGNANT TUMOR' in much better productions. For all sickos!

PARAMACIUM 'EXHUMED OF THE EARTH' cd

from: WITCHHUNT records

A new doom star from Australia. PARAMACIUM shows us talented song creation and good structure. I suppose they've got the hint from 1st CATHEDRAL. Yes, they're not using any speed parts (especially blasts), so you'd get total doom sounds. No DISEMBOWELMENT, AMORPHIS and PYOGENESIS sound. Also they can handle with Christian lyrics. PARAMACIUM is one of the best doom (Not doom death) metal band. If you really into 1st CATHEDRAL, don't hesitate just buy it. Really depressive 70 minutes long real doom metal sound for you. There's no doubt, A MUST!!!

MEAT SHITS 'ECSTASY OF DEATH' cd

from: MORBID records

This is new MEAT SHITS' full length release. First tell ya my honest opinion, don't even think just BUY IT!! Well, not enough? So I think this is their best materials and productions yet. Also songs are really varied such as noise, grind, death, Industrial, porn (!!), gore and lots of shits!!! Robert's vocals are really cool than ever! Most of the songs are more closer to real death/grind vein but you know, really Meat Shits! Total 70 minutes long ecstasy! This album definitely luck your life up! Great release!

PHLEBOTOMIZED 'PREACH ETERNAL GOSPELS' mini-cd

from: W.M.I. records

After the great succeed debut EP, 'IN SEARCH OF TRANQUILLITY', they finally recorded new mini-CD. Thin Holland's doom/death star creates really good songs! Fast, slow and melodies are mixed up so well. They have seven members including violin and keyboard which are not so often to feature but that is the key of PHLEBOTOMIZED. Sensually, talentfull band torn Holland. 3 new songs with 2 from 'DEVOTED TO GOD' demo. A must for all doom/gothic death fans.

BLOOD 'O AGIOS PETRANE' cd

from: IMP records

Follow up the great 'CHRISTBAIT' album, BLOOD returns with the great 'O AGIOS PETRANE' album which shows us much more sickness than before! They had been called German answer to gore metal king, IMPETIGO. I agree with it but BLOOD was not so close musical style. Both band's lyrics are similar such as gore, sick and cruel. I really love both bands a lot! BLOOD's songs are really tight and sounds are very heavy and raw!! I recommend this great album to all of death/grind motherfuckers!!

DEAD/REGURGITATE split cd

from: POSERSLAUGHTR records

These sickest bands are really cool!! DEAD, the German sick porn grinder plays heavy grind with two type vocals which are so good singing. Sounds are really raw as hell. All 6 tracks are same direction as latest EP, 'SLAVES TO ABYSMAL PERVERSION'. Well, REGURGITATE their new tracks are so cool grind. But they no longer use harmonized vocals so much. Rickard of RGT said to me, he doesn't like these split's songs. But who cares!! We can fully enjoy their new songs!! And their full length songs are real killer than this split! You should listen this split first, then buy a full length. I'm really satisfied with them!! Also bonus tracks, their first split EP songs with VAGINAL MASSAKER.

ETHERIAL VINDS 'SAVED' mini-cd

from: W.M.I. records

Holland's doomy death metal debut mini-CD. Their music combines death with PARADISE LOST like gothic/atmospheric elements which helped keyboard sound. But they brings nothing new yet. Average rillings and rhythms are a bit boring to me. However they've put some good ideas on atmospheric parts which I really like. So let's wait and see what happen in their future. And full length come out soon from CYBER music. Check it out.

AGATHOLES 'BLACK CLOUDS DETERMINATE' cd

from: CYBER music

Here's long awaits second full length album finally out! It containing 16 new tracks + 14 live materials at Mannheim, Germany. Total 70 minutes long mincing grind core. Their new tracks are much closer to grinding death style and using inhuman harmonized vocals in better ways. On this recording, they use three type vocals such as low growls, mid screaming growls like Jeff Walker and harmonized one, which combination is so cool! Rhythms are still fast paced blast beat and smashing grind guitars. They also keeping anti-sociality and underground attitude. Sounds are clear but really raw as well. It must be fuck, your brains out! And I can't say nothing about live materials, cause it's really cool!! Fuckin' highly recommended!

GOLGOTHA 'CAVES OF MIND' mini-cd

from: REPULSE records

These Spanish four piece doom/gothic death heads reminds me of early PARADISE LOST sound. Slow, heavy and melancholic melodies flowing out the songs. Guitar harmony is really close to PARADISE LOST's. Key board sounds helped them so much. And they've got huge influence from SABBATH 'cause a cover song 'SNOW BLIND' prove it. Also they use some acoustical parts on each songs. This five songs mini-CD is for all doom/gothic fanatics. You should check this out for yourself.

PYOGENESIS 'WAVES OF EROTASIA' mini-cd

from: NUCLEAR BLAST

PYOGENESIS finally got a deal with NUCLEAR BLAST and here's intensive new recording! They proved their song writing is certainly and still original as well. 'WAVES OF EROTASIA' meaning combines with erotic and lantasia, make sure the songs are holding aesthetic guitar melodies and morbidity. Female vocal part reminds me of gothic/doom bands but they're not only focusing on it. But yes, songs are slow and depressive as those bands. However I can find the differences as PYOGENESIS themselves. Only four songs but really gratefull stuff. I can't still believe they have two GUT members, it's total difference, you know. We can expect their full length, really!

Mega thanks for all label/distro guys all over the world!! Especially LOWLAND records, WITCHHUNT records, MORBID records, MORBUND records, NECROMORPHIC productions, PEACEVILLE, AX/CTION records, OBLITERATION records, CHAMPAGNE records, COCCYTUS promotion. Thanks a lot! Keep fuckin' up good work. C-y-a.
